**ROBIN A. GRIFFITH
CLERK OF THE COUNCIL**

The Council found that the Change of Zone was appropriate legislative action based on the following Findings of Fact:

- A. This is the application of WYWJ Ventures, LLC to amend the Comprehensive Zoning Map of Sussex County from an AR-1 Agricultural Residential District to a CR-1 Commercial Residential District for a certain parcel of land lying and being in Northwest Fork Hundred, Sussex County, containing 3.034 acres, more or less. The property is located at the west of Sussex Highway (U.S. Route 13) 950 feet south of Adams Road (Road 600) (911 Address: 14392 Sussex Highway, Bridgeville) (Tax Map I.D. 530-14.00-21.00).**
- B. Council found that DelDOT commented that it recommended that this rezoning application be considered without a Traffic Impact Study and that the need for a Traffic Impact Study be evaluated when a subdivision or land development plan is proposed, and that this segment of Sussex Highway has a Level of Service "C".**
- C. Council found that the Sussex County Engineering Department, Utility Planning Division, commented that the property is not in a current County operated or maintained sanitary sewer or water district; that the property is located in the Western Sussex Planning Area No. 1; that the proposed use is not in an area where the County has a schedule at this time to provide sewer service; and that a Concept Plan is not required.**
- D. Based on the record before the Planning and Zoning Commission and the Public Hearing before the Sussex County Council, Council found that Wai-Hung Lui, Manager of WYWJ Ventures, LLC, was present and stated that the property is adjacent to or near other commercially zoned properties along U.S. Route 13; that they intend to lease or sell the property to a developer for commercial or business activities; and that the site is immediately adjacent to a commercially zoned property to the south.**

- E. Based on the Findings (1 through 6) of the Planning & Zoning Commission, Council found that:**
- 1. The site is located along U.S. Route 13 (Sussex Highway) and it is in a Developing Area according to the Sussex County Comprehensive Plan. This location is appropriate for CR-1 Commercial Residential District zoning.**
 - 2. The site is adjacent to property that is currently zoned C-1 General Commercial District and there are other commercial zonings and Conditional Uses in the area.**
 - 3. The proposed use will not adversely affect neighboring and adjacent properties or roadways.**
 - 4. The Applicant will be required to meet or exceed all DelDOT requirements.**
 - 5. CR-1 Commercial Residential District zoning is appropriate since the County Zoning Code states that the purpose of such zoning is to provide for a wide variety of commercial and service activities generally serving a wide area, and that such uses should be located along existing major thoroughfares where a general mixture of commercial and service activities now exist. In this case, the rezoning along U.S. Route 13 falls within the stated purposes of the CR-1 Commercial Residential District.**
 - 6. No parties appeared in opposition to this rezoning.**
- F. Based on the record created before the Planning and Zoning Commission and the Sussex County Council, the Council approved this application.**
