**TRACY N. TORBERT  
CLERK OF THE COUNCIL**

The Council found that the Change of Zone was appropriate legislative action based on the following Findings of Fact:

- A. **This is the application of Route 54 Limited Partnership to amend the Comprehensive Zoning Map of Sussex County from an AR-1 Agricultural Residential District to a C-2 Medium Commercial District for a certain parcel of land lying and being in Baltimore Hundred, Sussex County, containing 1.62 acres, more or less (property lying on the south side of Lighthouse Road [Route 54], approximately 0.39 mile east of Johnson Road [S.C.R. 390]) (911 Address: 33006 Lighthouse Road, Selbyville) (Tax Parcel: 533-18.00-59.00).**
  
- B. **Based on the record before the Planning and Zoning Commission and the hearing before the Sussex County Council, Council found that Mr. Daniel Bunting was present on behalf of this Application; that this parcel is contiguous to property owned by Bunting Holdings, LLC which, like this Application, is also seeking a change of zone from an AR-1 Agricultural Residential District to a C-2 Medium Commercial District (C/Z #1934); that the property is located within the Coastal Area; that this is considered an infill rezoning; that currently there is C-1 (General Commercial) to the east and west of the property; that the property to the left is the location for the Bunting Construction office; that the subject property, owned by Route 54 Limited Partnership currently has a 1970's single-family home located on site; that the property has completed the PLUS process; that it received no objection from DelDOT or DNREC; that the C-2 Zoning is an applicable zone within the Coastal Area according to the Comprehensive Plan; that this rezoning request is proper considering the surrounding areas, as well as what the proposed rezoning could provide for the area in regards to the property location near residential subdivisions; that the proposal for commercial zoning will support future and existing residential homes in the area; and that Applicant has no immediate plans for the site.**
  
- C. **Based on the Findings (1 through 8) of the Planning & Zoning Commission, Council found that:**
  - 1. **C-2 Medium Commercial Zoning is designed to support retail sales and the performance of consumer services. It is intended to be located near arterial and collector roads.**
  - 2. **The Applicant's property is located along Lighthouse Road, also known as Route 54. It is surrounded by other properties that are zoned C-1 General Commercial. This rezoning makes one connected block of commercial zoning in this area of Lighthouse Road.**
  - 3. **C-2 Zoning at this location is in the middle of the existing C-1 Zoning along Lighthouse Road will benefit nearby residents and visitors of Sussex County by providing a convenient location for retail uses or consumer services.**
  - 4. **There is no evidence that this rezoning will have an adverse impact on neighboring properties or area roadways.**
  - 5. **This site is in the "Coastal Area" according to the Sussex County Land Use Plan and Future Land Use Map. This is an appropriate location for C-2 Zoning according to the Plan.**
  - 6. **No parties appeared in opposition to this rezoning application.**
  - 7. **The proposed rezoning meets the general purpose of the Zoning Code by promoting the orderly growth, convenience, order prosperity, and welfare of the County.**
  - 8. **Any future use of the property will be subject to Site Plan review by the Sussex County Planning and Zoning Commission.**
  
- D. **Based on the record created before the Planning and Zoning Commission and the Sussex County Council, the Council approved this Application.**
