BLADES, DE- On Thursday, June 29, 2006, the Delmarva Water Transport Committee, along with the Sussex County Economic Development Office, will be holding an informative meeting concerning the Nanticoke River and issues addressing recreational and commercial use, dredging and the future of the river. The meeting will be held at the Blades Fire Department, 200 East 5th Street, Blades, Delaware, from 7 p.m. – 9 p.m.

Brief presentations from the U.S. Army Corps of Engineers, U.S. Coast Guard, DNREC, Sussex County Economic Development, and Delmarva Water Transport Committee on each organizations purpose in relation to the Nanticoke River.

For further information concerning this meeting, contact the Delmarva Water Transport Committee office at 410-742-9559 or email dwtc@verizon.net.
