Re: Sussex County Compliance Status Report

Dear Ms. Delaney and Mr. Fregiato:

The purpose of this correspondence is to forward to you certain items from Sussex County in compliance with certain requirements under the Voluntary Compliance Agreement ("VCA") executed between Sussex County and the U.S. Department of Housing and Urban Development ("HUD") on November 28, 2012, and the Consent Decree ("CD") executed between Sussex County and the U.S. Department of Justice ("USDOJ") on November 28, 2012, entered by the Court on December 19, 2012.

1. Proposed Affordable and Fair Housing Marketing Plan

Sections III(13) and VII(26) of the CD require the County to submit to USDOJ with 100 days of the effective date of the CD (on or before April 1, 2013), a proposed Affordable

and Fair Housing Marketing Plan incorporating the elements listed in Section III(13)(a) through (d). Attached please find as **Exhibit A** the County's proposed Affordable and Fair Housing Marketing Plan incorporating the required elements.

## 2. Submission of Training Certificates

Section VI(21) of the CD requires the County to provide in-person training on the requirements of the CD and of the Fair Housing Act to all County officers, elected and appointed officials, or employees who have duties related to the planning, zoning, permitting, construction, or occupancy of residential housing, including, but not limited to: the County Administrator; all members, staff and employees of the Planning and Zoning Commission, the Board of Adjustment, and the County Council; and all staff and employees of the Department of Community Development and Housing and the Department of Planning and Zoning. Such in-person training was to be held within ninety days of the entry of the CD (on or before March 19, 2013). The County held the required in-person training on March 8, 2013, with a trainer approved by USDOJ and with materials meeting the approval of USDOJ. The training was video-recorded and each participant received a copy of the CD. In addition, each participant executed the certification of training at the conclusion of the training session.

Prior to the in-person training, provisions were agreed to between USDOJ and the County in which any elected, appointed, or hired individual who, for good cause, could not attend the initial, in-person training could satisfy the initial training requirement by viewing the videotape of the live training within 90 days of entry of the decree, provided that any person who completes the video training in lieu of live training will report the reason on his/her training certification form (Attachment B of the CD) that will be submitted to USDOJ. When the in-person training required by the CD would cause any given County department to operate with less than 25% of its regular employees for the duration of the training, then up to 25% of that department's staff may be considered to have good cause to be trained by video instead of in-person, provided that no individual asserts this basis for good cause in any two consecutive years.<sup>1</sup>

The County held two make-up sessions for attendees that, for good cause, were unable to attend the in-person training on March 8, 2013. The first make-up session was held on March 15<sup>th</sup>, and the final make-up session was held on March 26<sup>th</sup>. As a result, the County was able to have trained all persons required under the CD. In total, 57 persons attended the in-person training or one of the make-up sessions. Because the second make-up training session was held outside of the 90-day requirement by seven (7) days, the County would like to request

---

<sup>1</sup> Emails from Chris Fregiato, USDOJ, to Stephanie Hansen, dated December 12, 2012, and January 30, 2013.

that USDOJ exercise its administrative discretion and not hold the County in violation. The County's objective was to reach every potential attendee and in order to do so, minimal extra time was required. As you will see from the other submissions attached to this correspondence and the discussion of those submissions below, the County has been earnestly and vigorously working to achieve all of the objectives and requirements of both the CD and the VCA, and has been able to meet most of the requirements well ahead of the time that the items required were due.

Section VII(26) of the CD requires that the County submit to USDOJ all executed copies of the Certification of Training and Receipt of Consent Decree ("Certificates") within 100 days after the execution of the CD (on or before April 1, 2013). The Certificates from all 57 attendees are attached hereto as **Exhibit B**. Although the 90-day training requirement was not met for those attending the second make-up training session, the requirement to submit all of the Certificates evidencing the training within 100 days was met.

### 3. Proposed Priority Fair Housing Plan

In particular, under the VCA, Section III(7)(a), the County was required to review and evaluate the 1998, 2003, and 2011 Analysis of Impediments to determine what impediments were identified, if past impediments continue to exist, and develop a proposed priority fair housing plan to address the identified impediments. The proposed priority fair housing plan was to incorporate a strategy to increase housing opportunities throughout the County, taking into account the housing needs of African American and Hispanic residents and develop mechanisms in which Sussex County will use CDBG and other funding to affirmatively further fair housing. The proposed priority fair housing plan was to be submitted to HUD and the Delaware State Housing Authority (DSHA) for review within 120 days of the effective date of the VCA (on or before March 28, 2013).

The County has performed the required review and evaluation, and attaches hereto as **Exhibit C**, the Sussex County A.I. Evaluation and Proposed Priority Fair Housing Plan for your review. In developing this plan, the County Community Development and Housing office held a teleconference with DSHA on March 14, 2013, and met with the Office of State Planning Coordination on March 18, 2013. A copy of this plan is being sent separately to DSHA.

### 4. FHCO's Presentation of Strategies

Section III(7)(a)(iii) of the VCA states that within 120 days of the effective date of the VCA (March 28, 2013), the County's Fair Housing Compliance Officer ("FHCO") must identify successful models of affordable housing strategies used in other states, counties or localities similar in jurisdiction and authority to Sussex County to recommend to County Council

and to assist the County in formulating an affordable housing policy as required under the Consent Decree.

The County's FHCO, Mrs. Brandy Nauman, identified six successful strategies from other locales which may be similar in jurisdiction and authority to Sussex County and presented those strategies to County Council for their consideration on March 26, 2013. Attached as **Exhibit D**, please find a Memorandum from Mrs. Nauman to the members of Sussex County Council and the Administrator setting forth an outline of the presentation that she made at the Sussex County Council meeting on March 26, 2013. Also attached as a part of this exhibit is the agenda showing Mrs. Nauman as a scheduled speaker.

#### 5. Amendment of MPHU Program

Section III(7)(b) of the VCA requires the County to amend the Moderately Priced Housing Unit ("MPHU") program to include provisions that create access to persons that are between 50% and 125% of the median income. The revised provisions are to be posted on the County's website.

An ordinance amending the MPHU program as required above was drafted and introduced at the County Council meeting on March 26, 2013. Attached as **Exhibit E** is a copy of the proposed ordinance. Within two weeks after ordinance introduction, the County will generally advertise the public hearing on the ordinance. The public hearing for this ordinance has not yet been set, but when it has been set, it will be advertised on the County's website in compliance with the Delaware Freedom of Information Act. In compliance with the VCA and the CD, we will notify you when the date for the public hearing has been set.

#### 6. Strong Communities Initiative

Section III(7)(c) of the VCA requires the County, through the Strong Communities Initiative, to perform an internal evaluation of the Impacted Communities to determine investment strategies, priority designation of infrastructure and/or community development for those elements of infrastructure over which the County has primary governing authority. The County must also evaluate its past participation in providing secondary elements of infrastructure in the Impacted Communities with the goal of prioritizing the funding for such infrastructure improvements and formalizing an approval process for continued County participation in such infrastructure projects. Although this task does not have a time limit or due date mentioned, the County has begun this task in earnest. Attached as **Exhibit F** please find the "Sussex County Strong Communities Initiative" recently developed by the County which will be put into action in accordance with the Proposed Priority Fair Housing Plan.

With this correspondence, the County believes that it has fulfilled the requirements of:

1. Section III(13) of the CD to submit a proposed Affordable and Fair Housing Marketing Plan to USDOJ;
2. Section VII(26) of the CD to submit the Certificates and the Affordable and Fair Housing Marketing Plan to USDOJ;
3. Section IV(21)(a) through (d), (22), and (23) of the CD regarding the initial training;
4. Section III(1) of the VCA regarding the initial training; and
5. Section III(7)(a)(i) through (iii) of the VCA.

Please contact me with any questions or comments.

Sincerely yours,

Stephanie L. Hansen

-DRAFT-

**Sussex County Affordable and Fair Housing Marketing Plan**

**I. Mission Statement**

It is Sussex County's mission to promote non-discrimination and ensure fair and equal housing opportunities for all. Further, to inform housing developers and the general public that the County supports the development of affordable housing opportunities in Sussex County.

**II. The Fair Housing Act Summary**

A. The Fair Housing Act prohibits discrimination in housing because of:

1. Race or color;
2. National origin;
3. Religion;
4. Sex;
5. Familial status (families with children under the age of 18, or who are expecting a child); or
6. Handicap (If you or someone close to you has a disability).

The Delaware Code enlarges this list to include creed, marital status, and age.

B. The Fair Housing Act covers most housing. In some circumstances, the Act exempts owner-occupied buildings with no more than four units, single-family housing sold or rented without the use of a broker and housing operated by organizations and private clubs that limit occupancy to members.

C. What is Prohibited. In the Sale and Rental of Housing: no one may take any of the following actions based on race, color, national origin, religions, sex, familial status or handicap (disability);

1. Refuse to rent or sell housing;
2. Refuse to negotiate for housing;
3. Make housing unavailable;
4. Deny a dwelling;
5. Set different terms, conditions or privileges for sale or rental of a dwelling;
6. Provide different housing services or facilities;

7. Falsely deny that housing is available for inspection, sale or rental;
8. For profit, persuade owners to sell or rent (blockbusting); or
9. Deny anyone access to membership in a facility or service (such as a multiple listing service) related to the sale or rental of housing.

D. In Mortgage Lending: No one may take any of the following actions based on race, color, national origin, religion, sex, familial status or handicap (disability):

1. Refuse to make a mortgage loan;
2. Refuse to provide information regarding loans;
3. Impose different terms or conditions on a loan, such as different interest rate, points, or fees;
4. Discriminate in appraising property;
5. Refuse to purchase a loan; or
6. Set different terms or conditions of purchasing a loan.

E. In addition: It's illegal for anyone to:

1. Threaten, coerce, intimidate or interfere with anyone exercising a fair housing right or assisting others who exercise that right; and
2. Advertise or make any statement that indicates a limitation or preference based on race, color, national origin, religion, sex, familiar status, or handicap. This prohibition against discriminatory advertising applies to single-family and owner-occupied housing that is otherwise exempt from the Fair Housing Act.

F. Additional Protection If You Have a Disability: If you or someone associated with you:

1. Have a physical or mental disability (including hearing, mobility and visual impairments, chronic alcoholism, chronic mental illness, AIDS, AIDS Related Complex and mental retardation) that substantially limits one or more major life activities;
2. Have a record of such a disability; or
3. Are regarded as having such a disability, your landlord may not:
  - a. Refuse to let you make reasonable modifications to your dwelling or common use areas, at your expense, if necessary for the disabled person to use the housing. (Where reasonable, the landlord may permit changes only if you agree to restore the property to its original condition when you move.)

- b. Refuse to make reasonable accommodations in rules, policies, practices or services if necessary for the disabled person to use the housing.

However, housing need not be made available to a person who is a direct threat to the health or safety of others or who currently uses illegal drugs.

G Requirements of New Buildings: In buildings that are ready for first occupancy after March 13, 1991, and have an elevator or four or more units:

1. Public and common areas must be accessible to persons with disabilities.
2. Doors and hallways must be wide enough for wheelchairs.
3. All units must have:
  - a. An accessible route into and through the unit;
  - b. Accessible switches, electrical outlets, thermostats and other environmental controls;
  - c. Reinforced bathroom walls to allow later installation of grab bars and
  - d. Kitchen and bathrooms that can be used by people in wheelchairs.

If a building with four or more units has no elevator and will be ready for first occupancy after March 13, 1991, these standards apply to ground floor units.

These requirements for new buildings do not replace any more stringent standards in State or Local law.

H. Housing Opportunities for Families: Unless a building or community qualifies as housing for older persons, it may not discriminate based on familial status. That is, it may not discriminate against families in which one or more children under 18 live with:

1. A parent;
2. A person who has legal custody of the child or children, or
3. The Designee of the parent or legal custodian, with the parent or custodian's written permission.

Familial status protection also applies to pregnant women and anyone securing legal custody of a child under 18.

Exemption: Housing for older persons is exempt from the prohibition against familial status discrimination if:

1. The U.S. Department of Housing and Urban Development (HUD) Secretary had determined that it is specifically designed for and occupied by elderly persons under a Federal, State or Local government program;
2. It is occupied solely by persons who are 62 years or older;
3. It houses at least one person who is 55 or older in at least 80 percent of the occupied units, and adheres to a policy that demonstrates an intent to house persons who are 55 or older.

A transition period permits resident on or before September 13, 1988 to continue living in the housing, regardless of their age, without interfering with the exemption.

I. If you think your rights have been violated: Please visit HUD's website at [www.hud.gov](http://www.hud.gov) for the most accurate and up-to-date information. HUD is ready to help with any problem of housing discrimination. If you think your rights have been violated, the Housing Discrimination Complaint Form is available for you to download, complete and return, or complete online and submit, or you may write a letter or telephone the HUD office nearest you. You have one year after the alleged violation to file a complaint with HUD, but you should file it as soon as possible.

1. What to tell HUD

- a. Your name and address;
- b. The name and address of the person your complaint is against (the respondent);
- c. The address or other identification of the housing involved;
- d. A short description of the alleged violation (the event that caused you to believe your rights were violated); and
- e. The date(s) of the alleged violation.

2. Where to write or call: Send a letter to the fair housing office nearest you, or if you wish, you may call that office directly.

### III. Historical Housing Information

#### A. What Sussex County has Done to Affirmatively Further Fair Housing

##### 1. How Long CD&H has Been in Existence

Sussex County's Department of Community Development & Housing was created 24 years ago when the Delaware State Housing Authority (DSHA) made the Community Development Block Grant (CDBG) program available to local government jurisdictions.

##### 2. Specific County Accomplishments

##### a. Discussion of the Moderately Priced Housing Unit (MPHU) Program and the Sussex County Rental Program (SCRP)

1. In 2006, the County created the Moderately Priced Housing Unit Program (MPHU), which focuses on integrating affordable housing units within a market-rate development. The program focuses on providing housing to households with incomes between 80% and 120% of AMI. In 2006, County Council approved the first project for participation in the program, The Villages of Elizabethtown, located in Milton. In 2008, the Council approved five additional projects for the program in Dagsboro, Georgetown (x2), and Ellendale (x2) generating 180 more affordable units for the program.
2. In 2008, the County created the Sussex County Rental Program (SCRP), which integrates affordable rental housing within a market-rate rental project. The program focuses on providing housing to households with incomes between 30% and 80% of the AMI. In July 2009, County Council approved the first project for participation in the program, The Arbors of Cottagedale. The project was proposed just outside of Lewes and would provide twenty-six (26) affordable rental units.
3. The MPHU and SCRPP program applications/Request for Proposal processes were amended to include point incentives for Universal Design and Good Neighborhood Design features.

b. Discussion of the Neighborhood Stabilization Program I (NSP 1) and the Neighborhood Stabilization Program II (NSP 2)

1. In 2008, the County was awarded \$2 million in Neighborhood Stabilization Program I (NSP 1) funding through the Housing and Economic Recovery Act of 2008 stimulus package. NSP 1 funding was designed to stabilize distressed neighborhoods by assisting low- and moderate-income homebuyers purchase foreclosed homes. HUD designated five targeted zip codes in Sussex County for NSP 1: 19956 (Laurel), 19973 (Seaford), 19947 (Georgetown), 19950 (Greenwood), and 19963 (Milford). The County assisted thirty-one (31) households with the funding. Sussex County also exceeded the HUD requirement to spend 25% of funds (\$500,000) on those households at or below 50% of Area Median Income (AMI), by directing \$1.1 million on those households. The County partnered with three non-profit affordable housing providers, as well as administered their own NSP homebuyer assistance model.
2. In 2009, the County was awarded \$939,204 in Neighborhood Stabilization Program II (NSP 2) through the American Recovery and Reinvestment Act (ARRA) of 2009. Like NSP 1, NSP 2 was created to continue the work of stabilizing neighborhoods by incentivizing the purchase of foreclosed homes in communities that have been negatively affected by foreclosure. HUD targeted five census tracts in Sussex County for NSP 2 funding: 509 (Milton/Lewes area), 510.01 (Lewes/Rehoboth), 511 (Rehoboth/Dewey Beach), 507.02 (Millsboro/Long Neck area), and 501.02 (Lincoln/Milford area). To-date, the County has assisted nine (9) households with the funding. The County partnered with two local non-profit housing developers to help spread the funding efficiently to those most in need, as well as utilizing their own NSP homebuyer assistance model.

c. Discussion of use of Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Housing Preservation Grant (HPG)

1. For over 20 years, the Community Development & Housing Department has administered the Community Development Block Grant Program (CDBG). The office uses the funds to protect and support the most vulnerable residents of the County. The funds are primarily used for the rehabilitation of income-eligible owner-occupied properties, home modifications for persons with disabilities, water/sewer hookups, demolitions, and small infrastructure projects. The County applies for CDBG funds on behalf of municipalities and rural communities across the County. In addition to the County Council, all participating towns are required to sign an affirmatively furthering fair housing resolution.

2. The County also uses Housing Preservation Grant (HPG) funds from the U.S. Department of Agriculture Rural Development and HOME Investment Partnerships Program (HOME) funds from HUD for the rehabilitation of income-eligible owner-occupied properties.
3. Annually, CD&H assists approximately 130 households with CDBG, HOME, and HPG funds.

d. Use of County Council Grant Funding and General Funding for Infrastructure in Impacted Communities.

1. Through Sussex County's Human Service Grant program, the County Council provides numerous grants to various agencies annually that promote and advocate for affordable, fair housing, and other humanitarian efforts. Some of these organizations include, Delaware Housing Coalition, La Esperanza, Habitat for Humanity, NCALL Research, First State Community Action, Sussex Housing Group, and DCRAC. The Human Service Grant funding also allows rural communities to seek small infrastructure improvement grants like, funding for streetlights, road improvements, handicap accessibility, and community clean-ups.
2. Sussex County Council also provides funding for CD&H to assist with emergency housing rehabilitations, typically an average of \$60,000 annually. This funding goes primarily towards assisting low- and moderate-income owner-occupied properties with rehabilitations, but has also assisted rural communities with improvements to their community centers.

e. Discussion of County Vacant Properties.

Sussex County owns two (2) vacant properties that were purchased in preparation for future County Airport Runway expansion. Since the expansion was not expected to take place for several years, the County created a RFP process that encouraged local non-profit housing providers to submit plans for the use of the vacant homes. The County elected to award Sussex County Habitat for Humanity the vacant homes to lease. One of the homes would provide housing to future Habitat families that were currently in substandard housing and needed safe housing until their Habitat home was completed. The second home would house AmeriCorps volunteers that work with Habitat for Humanity in the construction of homes.

f. Discussion of Foreclosure Prevention Efforts.

CD&H collaborates with the Attorney General and Office of State Bank Commissioner to provide consumer education events pertaining to foreclosure prevention. These events take place every month in areas of the County most hard hit by the foreclosure crisis. The Department also records and monitors monthly foreclosure filing and Sheriff Sale data.

#### IV. Outreach Activities

##### A. Description of Specific Outreach Activities

###### 1. Sussex County's Efforts.

- a. The County will encourage developers to affirmatively market their units to diverse populations by making it clear in the County's comments during the PLUS process on the development proposal that this is the County's policy. (Timetable: By July 1, 2013)
- b. The County will develop standard language that will be incorporated into every residential development plan review subject to the PLUS process which sets forth the County's policy to affirmatively further fair housing by emphasizing the desire for the creation of racially/ethnically diverse, mixed-income communities and encouraging developers to affirmatively market their units to diverse populations. (Timetable: By July 1, 2013)
- c. The County will propose an ordinance to modify its Moderately Priced Housing Unit ("MPHU") Program to apply to homebuyers earning 50% to 120% of the County's median income. (Introduced on March 26, 2013)
- d. The County will continue discussions with Diamond State Community Land Trust ("DSCLT") and other providers of low to moderate income housing to create additional incentives within the MPHU Program to entice developers to price some homes to be affordable to lower area median income families. (Timetable: Dec. 31, 2013)
- e. The County will formulate a policy regarding affordable housing projects seeking support. As part of this policy, conditional support letters may be provided upon proof of affordability. The support letter would not only commend affordable housing construction, but also perhaps provide waivers of certain fees upon satisfaction of the planning approval process. (Timetable: Dec. 31, 2013)
- f. Sussex County held a Fair Housing training session on March 8th, 2013 to educate staff on Fair Housing requirements. Elected and appointed representatives of the County participated in the training, including members of County Council and the Planning and Zoning Commission. (Timetable: Currently in-place)
- g. Partner with [www.DelawareHousingSearch.org](http://www.DelawareHousingSearch.org), a website that provides a comprehensive listing of publicly-assisted properties for sale, as well as publicly-

assisted and market-rate rental units. The website is fully supported by a toll-free bilingual call center. Listings are monitored daily for accuracy and fair housing compliance. The advanced search feature allows individuals to search using a wide variety of criteria, including income, accessibility features, proximity to services, and more. (Timetable: Currently in place).

h. Work with the Sussex County Association of Realtors to expand their listing form to include accessibility features of available units. The accessibility features should also be searchable on the Association's MLS database. (Timetable: Dec. 31, 2013)

## 2. Community Involvement

a. Public participation in updates to Comprehensive Plan (Timetable: Currently in-place)

b. Notices of meetings published in accordance with State law and on the County's Fair Housing webpage. (Timetable: Currently in-place)

i. Notice of the County's Department of Community Development and Housing meetings and public hearings will be published in at least one Hispanic newspaper or website. (Timetable: Dec. 31, 2013)

c. Amendments to the Zoning and Subdivision sections of the County Code will not be more restrictive on affordable housing. (Timetable: Currently in-place)

## 3. Neighborhood Meetings

a. The County will encourage affordable housing developers to have neighborhood meetings with residents early in the plan approval process. (Timetable: July 1, 2013)

b. The County's Community Development & Housing Department will spearhead the Sussex County Strong Communities Initiative to improve the quality of life for residents in historically low-income rural areas. (Timetable: Currently in-place)

## 4. Coordination

a. The County will coordinate housing strategies with the DSHA and the Office of State Planning Coordination as part of the updates to the Sussex County Comprehensive Plan. (Timetable: Currently in-place)

b. Because credit history is a major reason for denial of home mortgage applications in Sussex County, the County will coordinate with housing counseling and financial literacy agencies to target credit repair education

through existing advocacy organizations that work with minority populations on a regular basis. (Timetable: Currently in-place)

#### 5. Fair Housing Materials

a. The County will maintain brochures and other written material on services, education and information offered by other agencies related to discrimination in housing and the development of affordable housing. The material will be available at the Community Development and Housing Department of Sussex County and on the County's website. (Timetable: Currently in-place)

#### 6. Fair Housing Webpage (Timetable: June 19<sup>th</sup>, 2013)

a. The County will develop a Fair Housing webpage that will be publicly accessible and which will have links to the following information and documents:

- i. Sussex County's Housing Discrimination Complaint Form;
- ii. A link to the Delaware Human Relations Commission complaint page;

| 2011 | Ensure that local zoning ordinances are in compliance with the Fair Housing Act. | Sussex County should revise the definition of "family" in its Code to allow more than four unrelated individuals to live together. "Sussex County ....should simplify [its] definition of 'family' by focusing on whether a household functions as a cohesive unit rather than distinguishing between related and unrelated persons. **Sussex County Strong Communities Initiative**

The mission of Sussex County's Strong Communities Initiative is to improve the quality of life for residents in historically low-income rural areas. This initiative will incorporate a comprehensive approach to community development through the collaboration of government, nonprofit, and private organizations.

The following communities are targeted for participation in the Strong Communities Initiative:

- Lucas Development
- Pine Town
- New Hope
- West Rehoboth
- Polly Branch
- Dog Patch
- Mount Joy
- Concord
- Possum Point
- Coverdale Crossroads

In order to accomplish the mission of the Initiative, Sussex County's Community Development & Housing office will first conduct an internal evaluation of each targeted community. This evaluation will include the following:

- Mapping and census tract information of each community
- A historical description of each community (if available), as well as contact information for community leaders and representatives
- Number of units in each community, including the number of sub-standard units
- Demographics of each community, including contact information of property owners (if available)

COUNTY ADMINISTRATIVE OFFICES WEST COMPLEX  
22215 DUPONT BOULEVARD | PO BOX 589  
GEORGETOWN, DELAWARE 19947

- Review by the State Historic Preservation office, regarding historic significance and concerns of each community
- A survey, conducted door-to-door by the Community Development & Housing office, seeking the input of residents regarding the issues affecting their particular community and prioritized improvements
- Documented meetings with each community to discuss the feasibility of improvements that are within the County's scope of action

Information obtained from the survey and community meetings will be formatted into a prioritized list of infrastructure needs and requested services for each community. These lists will be used to determine future funding allocations and expenditure requests.

To assist with the implementation of this initiative, Sussex County intends to request Community Development Block Grant (CDBG) funding specifically for the targeted communities. In particular, the County will seek funding for (light) Code Enforcement. The position generated by the funding will be dedicated to serving and assisting the Strong Communities with demolitions, improvements, and maintenance. In addition to code enforcement, this position will serve as a liaison to the communities and implement the Strong Communities Initiative. The intent of this request is not to cause undue stress or hardship to homeowners, but rather aid with a collaborative approach to community improvements. Further, County will also request CDBG funding for demolition, that will target removal and clean-up of condemned vacant structures. In addition, as in years past, the County will request funding for owner-occupied housing rehabilitation for the targeted strong communities.

The County will request guidance and input from the Delaware State Housing Authority, the Office of State Planning Coordination, First State Community Action Agency, Sussex County Habitat for Humanity, Milford Housing Development Corporation, the Delaware Housing Coalition, and the Sussex Housing Group in the formation of this initiative.

It is Sussex County's intent to work closely with each community on an individual basis, incorporating all available resources to improve the communities, and offer options to create a more diversified living experience for all residents.

*All information pertaining to the implementation and ongoing status of Sussex County's Strong Communities Initiative will be available on the County's new Affordable & Fair Housing Webpage.*

On Tuesday, March 26, 2013, I present successful affordable housing strategies in other locales which may be similar in jurisdiction and authority to Sussex County. These strategies are items for consideration as a means to expand our existing affordable housing programs to improve their access and impact to residents. Below is a summarized listing of the items that will be discussed.

  - a. Expand the County's Fair Housing Policy to include an Anti-NIMBY policy
    - i. Clarify the County's position on affordable housing
    - ii. Require that all public speakers at County public hearings sign an acknowledgement that "Sussex County, in its zoning and land use decisions, does not discriminate against persons based on race, color, religion, national origin, disability, familial status, or sex."
2. Inclusionary Zoning
  - a. Option 1: Amend the existing Moderately Priced Housing Unit (MPHU) and Sussex County Rental Program (SCRIP) Ordinances from voluntary participation to mandatory in Levels 1 & 2.

- ii. Defer payment of impact/permitting fees for affordable units until developer receives Certificate of Occupancy or;
  - iii. Allow for design flexibility of affordable units (i.e. setbacks, variances)
- 3. Training
  - a. Offer periodic fair housing training to municipal officials/staff, lenders, and Realtors.
- 4. Foreclosed Subdivisions
  - a. Identify projects for developers to purchase foreclosed subdivisions for the provision of affordable housing.
- 5. Affordable Housing Outreach
  - a. The County will consider drafting a letter to affordable housing developers supporting affordable housing located in areas identified by DSHA as appropriate for affordable housing.
  - b. Develop a team of County employees from various departments (i.e. CD&H, P&Z, Economic Development, Administration) to connect affordable housing developers with existing incentive programs available from the State and non-profit organizations.
- 6. Brownfields
  - a. County would agree to explore the possibility that Brownfields redevelopment in the County may provide a mechanism to develop additional affordable housing.

Thank you.

**Sussex County Strong Communities Initiative**

The mission of Sussex County's Strong Communities Initiative is to improve the quality of life for residents in historically low-income rural areas. This initiative will incorporate a comprehensive approach to community development through the collaboration of government, nonprofit, and private organizations.

The following communities are targeted for participation in the Strong Communities Initiative:

- Lucas Development
- Pine Town
- New Hope
- West Rehoboth
- Polly Branch
- Dog Patch
- Mount Joy
- Concord
- Possum Point
- Coverdale Crossroads

In order to accomplish the mission of the Initiative, Sussex County's Community Development & Housing office will first conduct an internal evaluation of each targeted community. This evaluation will include the following:

- Mapping and census tract information of each community
- A historical description of each community (if available), as well as contact information for community leaders and representatives
- Number of units in each community, including the number of sub-standard units
- Demographics of each community, including contact information of property owners (if available)

GEORGETOWN, DELAWARE 19947

- Review by the State Historic Preservation office, regarding historic significance and concerns of each community
- A survey, conducted door-to-door by the Community Development & Housing office, seeking the input of residents regarding the issues affecting their particular community and prioritized improvements
- Documented meetings with each community to discuss the feasibility of improvements that are within the County's scope of action

Information obtained from the survey and community meetings will be formatted into a prioritized list of infrastructure needs and requested services for each community. These lists will be used to determine future funding allocations and expenditure requests.

To assist with the implementation of this initiative, Sussex County intends to request Community Development Block Grant (CDBG) funding specifically for the targeted communities. In particular, the County will seek funding for (light) Code Enforcement. The position generated by the funding will be dedicated to serving and assisting the Strong Communities with demolitions, improvements, and maintenance. In addition to code enforcement, this position will serve as a liaison to the communities and implement the Strong Communities Initiative. The intent of this request is not to cause undue stress or hardship to homeowners, but rather aid with a collaborative approach to community improvements. Further, County will also request CDBG funding for demolition, that will target removal and clean-up of condemned vacant structures. In addition, as in years past, the County will request funding for owner-occupied housing rehabilitation for the targeted strong communities.

The County will request guidance and input from the Delaware State Housing Authority, the Office of State Planning Coordination, First State Community Action Agency, Sussex County Habitat for Humanity, Milford Housing Development Corporation, the Delaware Housing Coalition, and the Sussex Housing Group in the formation of this initiative.

It is Sussex County's intent to work closely with each community on an individual basis, incorporating all available resources to improve the communities, and offer options to create a more diversified living experience for all residents.

*All information pertaining to the implementation and ongoing status of Sussex County's Strong Communities Initiative will be available on the County's new Affordable & Fair Housing Webpage.*
