Re: Interim Compliance Report Under the Sussex County Voluntary
Compliance Agreement (HUD) and Consent Decree (USDOJ)

Dear Ms. Delaney and Mr. Fregiato:

This correspondence serves as an interim compliance report from Sussex County ("Interim Compliance Report"). Since the submission of the County's first semi-annual compliance report on May 28, 2013, a number of items became due under the Consent Decree ("CD") executed between Sussex County and the U.S. Department of Justice ("USDOJ") on November 28, 2012, entered by the Court on December 19, 2012 (Civil Action No. 12-1591-MPT) and the County's revised draft Affordable and Fair Housing Marketing Plan submitted to USDOJ on May 13, 2013. Each item is addressed below and the corresponding exhibits are attached.

I. Items Due Under the Consent Decree

A. **Section IV(18)** - Fair Housing Compliance Officer. This section requires the FHCO to report to the County every six months on activities taken in compliance with the CD. Six months from the date of the CD was June 19, 2013. The FHCO presented her report to the County at the County Council meeting on June 11th in compliance with this section. Attached as **Exhibit 1** are: (1) the County Council meeting agenda, and (2) the Memorandum from FHCO Brandy Nauman that was presented to Council and discussed at the June 11th County Council meeting.

B. **Section VII(27)(a) through (f)** – Reporting and Recordkeeping.

Webpage: This section requires the County to develop an Affordable Housing webpage and update the webpage twice annually with certain information. The County was required to post its first compliance report on the webpage and notify USDOJ of such posting within six (6) months after entry of the CD (June 19th, 2013). The County launched the webpage on June 19th, 2013, and the content of the webpage conforms to the requirements of this section and to the revised draft Affordable and Fair Housing Marketing Plan currently under review by USDOJ. The webpage can be accessed at:

<http://www.sussexcountysde.gov/fairhousing/>

II. Items Due Under the Revised Draft Affordable and Fair Housing Marketing Plan

A. **Section IV(A)(1)(a)** – Outreach Activities. (Sussex County's Efforts)

This section requires the County to encourage developers to affirmatively market their units to diverse populations by making it clear in the County's comments during the PLUS process on the development proposal that this is the County's policy. The timetable on this requirement is July 1, 2013. Attached as **Exhibit 2** is a letter from the attorney for the County's Planning and Zoning Commission, Mr. Vincent Robertson, to the Director of the Delaware Office of State Planning Coordination ("OSPC"), dated June 20, 2013, making it clear that this is the County's policy and asking for guidance regarding the appropriate procedural mechanism within the PLUS process for presenting this position. Also, within **Exhibit 2** is the response letter from the Director of OSPC to Attorney Robertson, dated June 25, 2013, stating the appropriate procedural mechanism (comment by the County on each individual application). As of this time, there are no applications within the PLUS process awaiting the County's comment; however the County's comment will be included on all future residential applications.

B. Section IV(A)(1)(b) – Outreach Activities. (Sussex County’s Efforts)

This section requires the County to develop standard language that will be incorporated into every residential development plan review subject to the PLUS process which sets forth the County’s policy to affirmatively further fair housing by emphasizing the desire for the creation of racially/ethnically diverse, mixed-income communities and encouraging developers to affirmatively market their units to diverse populations. The timetable on this requirement is July 1, 2013. Attached as **Exhibit 3** is the revised Application for Major Subdivision with the Equal Housing Opportunity logo and the instructions given to interested parties and applicants filling out the Application for Major Subdivision titled “Subdivision Process, Sussex County” (the “Instructions”). On the second page of the Instructions, please note the County’s new instructions to applicants:

“Sussex County promotes racially/ethnically diverse, mixed income Affordable Housing in all areas under its jurisdiction. Accordingly, Developers are encouraged to provide affordable housing opportunities to Sussex County residents in all new developments, affirmatively market those affordable housing units to diverse populations, and meet with surrounding residents early in the development approval process.”

As of July 1st, 2013, this revised Application for Major Subdivision and the corresponding Instructions are in place and will be distributed to future applicants and interested parties.

C. Section IV(A)(3)(a) – Outreach Activities. (Neighborhood Meetings)

This section requires the County to encourage affordable housing developers to have neighborhood meetings with residents early in the plan approval process. The timetable on this requirement is July 1, 2013. As seen in the Instructions mentioned above as part of **Exhibit 3**, the County is now in compliance with this requirement.

III. Revised Documents

The State of Delaware recently passed legislation which created “gender identity” as a new protected class under the Delaware Fair Housing Act (6 Del.C. Ch. 46). As a result, the County has revised three documents previously submitted to USDOJ and HUD to reflect the addition of this new protected class and has attached those documents hereto as **Exhibit 4**:

- (1) The revised draft Affordable and Fair Housing Marketing Plan;

(2) The Sussex County Fair Housing Policy; and

(3) The Sussex County Housing Discrimination Complaint Intake Form.

Also, while reviewing the Delaware Fair Housing Act, it came to our attention that Delaware uses the term "disability" to refer to the Federal protected class term "handicap." As a result, the County has revised the documents to incorporate both of these terms where appropriate.

Lastly, the County has corrected an omission in the revised draft Affordable and Fair Housing Marketing Plan sent to you on May 13, 2013. Section IV(A)(1)(i) of the plan did not set forth a timetable for compliance. With this revised draft plan sent to you today, the County is proposing a compliance date of December 31, 2013. The County has already held the initial planning session with all of the stakeholders and has a goal of holding the Homebuyer Fair this Fall.

Please feel free to contact me with any questions or comments.

Sincerely yours,

RE: Affordable Housing

Dear Connie:

As you know, Sussex County promotes affordable housing opportunities for its residents. In an effort to emphasize that with the developers in our County, the County is being more pro-active in encouraging developers to include affordable housing opportunities in new developments within Sussex County.

In a recent analysis of affordable housing in Sussex County, it has been stated that the County should support and promote affordable housing early in the application process-particularly the PLUS process managed through your office.

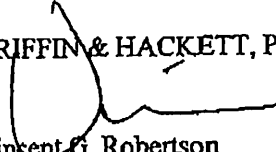

To accomplish this, one of 2 things can occur procedurally, it seems. One option would be to send your office a blanket statement promoting the inclusion of affordable housing in residential developments seeking approval in our County. We would request that the statement automatically be incorporated into the PLUS comments for every residential PLUS review for Sussex County projects. This would be consistent with Sussex County's desire to promote affordable housing wherever possible. Alternatively, we could include the comment individually on each project. If this second alternative is more workable for your Office, please let me know. Likewise, I will let you know who to add to your list of participants in the PLUS comment process so that the affordable housing comments can be transmitted to your Office.

After you have considered the information in this letter, please let me know how you wish to proceed. Likewise, if you have any questions, please let me know and I will be happy to reply with answers.

As always, thanks for your consideration of this request and your support of Sussex County.

Respectfully submitted,

GRIFFIN & HACKETT, P.A.

SUBDIVISION PROCESS SUSSEX COUNTY

Applicant or agent meets informally with the Planning and Zoning Department staff.

The applicant files an application form and support documents (preliminary survey/subdivision plan, fees, etc.). The application is required to be filed for scheduling with the Planning and Zoning Commission.

Public notices for public hearings before the Planning and Zoning Commission are advertised in 2 local newspapers at least 20 working days prior to the scheduled meeting of the Planning and Zoning Commission.

The Planning and Zoning Department staff sends plans to the Technical Advisory Committee for agency comments on the application (preliminary plan) with a required response date.

The Planning and Zoning Commission holds a public hearing and receives public comments and a report on the Technical Advisory Committee comments. The Commission may recommend approval, approval with stipulations, denial, or defer an application for additional comments from agencies or for further consideration by the Commission. All decisions are advertised in a local newspaper.

As of June 2, 2009, if the subdivision is approved, the preliminary plan is valid for three years. Originally, preliminary approval was valid for one year and an Applicant, with reason, could request additional time.

The Commission will consider the final plans after receipt of all appropriate agency approvals and/or permits. All decisions are advertised in a local newspaper.

Once approved as a final plan, the applicant has 60 days to record the record plat.

Once recorded in the Office of the Recorder of Deeds in and for Sussex County, any major subdivision shall be rendered null and void if substantial construction is not commenced thereon within 5 years of the date of recordation.

An applicant aggrieved by a decision of the Commission may appeal the decision to the County Council within 30 days of the official action of the Commission. Such appeal shall be an appeal on the record of the public hearing before the Commission and shall specify the grounds of the appeal. The appellant shall pay an appeal fee. The appeal process takes several steps as found in Subdivision Code (Chapter 99 of the Sussex County Code) Section 99-39. The Council may reverse a decision only upon a finding that the Commission made an error in its interpretation of the applicable sections of the Code; or the Commission's findings and conclusions were not the result of an orderly or logical review of the evidence and the applicable provisions of the Code. The Council

Subdivision Process

Page 2

shall act on the record within 60 days of receipt of the transcript. The Council is only considering the transcript of the record. There is not a public hearing on the appeal. Any party aggrieved by the decision of the Council may appeal to the appropriate Court.

NOTES: The process may take approximately 3 to 6 months due to the number of applications pending (Change of Zoning, Conditional Use, and Subdivisions). Typically 5 public hearings are held per meeting (twice a month). We review the applications in que and if we find something controversial we may schedule fewer applications for public hearing for the meeting being scheduled. Certain applications require review through the Office of State Planning Coordination (OSPC) for PLUS (Preliminary Land Use Service) based on a MOU with the OSPC.

Sussex County promotes racially/ethnically diverse, mixed income Affordable Housing in all areas under its jurisdiction. Accordingly, Developers are encouraged to provide affordable housing opportunities to Sussex County residents in all new developments, affirmatively market those affordable housing units to diverse populations, and meet with surrounding residents early in the development approval process.

Sussex County Affordable and Fair Housing Marketing Plan

I. Mission Statement

It is Sussex County's mission to promote non-discrimination and ensure fair and equal housing opportunities for all. Further, to inform housing developers and the general public that the County supports the development of affordable housing opportunities in Sussex County.

II. The Fair Housing Act Summary

A. The Fair Housing Act prohibits discrimination in housing because of:

1. Race or color;
2. National origin;
3. Religion;
4. Sex;
5. Familial status (families with children under the age of 18, or who are expecting a child); or
6. Handicap (If you or someone close to you has a disability).

The Delaware Code enlarges this list to include creed, marital status, age, sexual orientation, disability, and gender identity.

B. The Fair Housing Act covers most housing. In some circumstances, the Act exempts owner-occupied buildings with no more than four units, single-family housing sold or rented without the use of a broker and housing operated by organizations and private clubs that limit occupancy to members.

C. What is Prohibited. In the Sale and Rental of Housing: no one may take any of the following actions based on race, color, national origin, religion, sex, familial status, handicap (disability), creed, marital status, age, sexual orientation, or gender identity;

1. Refuse to rent or sell housing;
2. Refuse to negotiate for housing;
3. Make housing unavailable;
4. Deny a dwelling;

COUNTY ADMINISTRATIVE OFFICES WEST COMPLEX
22215 DUPONT BOULEVARD | PO BOX 589
GEORGETOWN, DELAWARE 19947

5. Set different terms, conditions or privileges for sale or rental of a dwelling;
 6. Provide different housing services or facilities;
 7. Falsely deny that housing is available for inspection, sale or rental;
 8. For profit, persuade owners to sell or rent (blockbusting); or
 9. Deny anyone access to membership in a facility or service (such as a multiple listing service) related to the sale or rental of housing.
- D. In Mortgage Lending: No one may take any of the following actions based on race, color, national origin, religion, sex, familial status, handicap (disability), creed, marital status, age, sexual orientation, or gender identity:
1. Refuse to make a mortgage loan;
 2. Refuse to provide information regarding loans;
 3. Impose different terms or conditions on a loan, such as different interest rate, points, or fees;
 4. Discriminate in appraising property;
 5. Refuse to purchase a loan; or
 6. Set different terms or conditions of purchasing a loan.
- E. In addition: It's illegal for anyone to:
1. Threaten, coerce, intimidate or interfere with anyone exercising a fair housing right or assisting others who exercise that right; and
 2. Advertise or make any statement that indicates a limitation or preference based on race, color, national origin, religion, sex, familial status, handicap/disability, creed, marital status, age, sexual orientation, or gender identity. This prohibition against discriminatory advertising applies to single-family and owner-occupied housing that is otherwise exempt from the Fair Housing Act.
- F. Additional Protection If You Have a Disability: If you or someone associated with you:
1. Have a physical or mental disability (including hearing, mobility and visual impairments, chronic alcoholism, chronic mental illness, AIDS, AIDS Related Complex and mental retardation) that substantially limits one or more major life activities;
 2. Have a record of such a disability; or
 3. Are regarded as having such a disability, your landlord may not:
 - a. Refuse to let you make reasonable modifications to your dwelling or common use areas, at your expense, if necessary for the disabled person to use the housing. (Where reasonable, the landlord may permit changes only if you agree to restore the property to its original condition when you move.)
 - b. Refuse to make reasonable accommodations in rules, policies, practices or services if necessary for the disabled person to use the housing.

However, housing need not be made available to a person who is a direct threat to the health or safety of others or who currently uses illegal drugs.

G. Requirements of New Buildings: In buildings that are ready for first occupancy after March 13, 1991, and have an elevator or four or more units:

1. Public and common areas must be accessible to persons with disabilities.
2. Doors and hallways must be wide enough for wheelchairs.
3. All units must have:
 - a. An accessible route into and through the unit;
 - b. Accessible switches, electrical outlets, thermostats and other environmental controls;
 - c. Reinforced bathroom walls to allow later installation of grab bars; and
 - d. Kitchen and bathrooms that can be used by people in wheelchairs.

If a building with four or more units has no elevator and will be ready for first occupancy after March 13, 1991, these standards apply to ground floor units.

These requirements for new buildings do not replace any more stringent standards in State or Local law.

H. Housing Opportunities for Families: Unless a building or community qualifies as housing for older persons, it may not discriminate based on familial status. That is, it may not discriminate against families in which one or more children under 18 live with:

1. A parent;
2. A person who has legal custody of the child or children, or
3. The Designee of the parent or legal custodian, with the parent or custodian's written permission.

Familial status protection also applies to pregnant women and anyone securing legal custody of a child under 18.

Exemption: Housing for older persons is exempt from the prohibition against familial status discrimination if:

1. The U.S. Department of Housing and Urban Development (HUD) Secretary had determined that it is specifically designed for and occupied by elderly persons under a Federal, State or Local government program;
2. It is occupied solely by persons who are 62 years or older;
3. It houses at least one person who is 55 or older in at least 80 percent of the occupied units, and adheres to a policy that demonstrates an intent to house persons who are 55 or older.

A transition period permits resident on or before September 13, 1988 to continue living in the housing, regardless of their age, without interfering with the exemption.

III. Historical Housing Information

A. What Sussex County has Done to Affirmatively Further Fair Housing

1. How Long CD&H has Been in Existence

Sussex County's Department of Community Development & Housing was created 24 years ago when the Delaware State Housing Authority (DSHA) made the Community Development Block Grant (CDBG) program available to local government jurisdictions.

2. Specific County Accomplishments

a. Discussion of the Moderately Priced Housing Unit (MPHU) Program and the Sussex County Rental Program (SCRCP)

- i. In 2006, the County created the Moderately Priced Housing Unit Program (MPHU), which focuses on integrating affordable housing units within a market-rate development. The program focuses on providing housing to households with incomes between 50% and 120% of AMI. In 2006, County Council approved the first project for participation in the program, The Villages of Elizabethtown, located in Milton. In 2008, the Council approved five additional projects for the program in Dagsboro, Georgetown (x2), and Ellendale (x2). In total, 547 dwelling units have been approved for development under the MPHU program although, to date, none have been constructed due to the economic downturn in the housing market in Sussex County.

- ii. In 2008, the County created the Sussex County Rental Program (SCRCP), which integrates affordable rental housing within a market-rate rental project. The program focuses on providing housing to households with incomes between 30% and 80% of the AMI. In July 2009, County Council approved the first project for participation in the program, The Arbors of Cottagedale. The project was proposed just outside of Lewes and would provide twenty-six (26) affordable rental units. To date, no units have

been constructed due to the economic downturn in the housing market in Sussex County.

- iii. The MPHU and SCRP program applications/Request for Proposal processes were amended to include point incentives for Universal Design and Good Neighborhood Design features.

b. Discussion of the Neighborhood Stabilization Program I (NSP 1) and the Neighborhood Stabilization Program II (NSP 2)

- i. In 2008, the County was awarded \$2 million in Neighborhood Stabilization Program I (NSP 1) funding through the Housing and Economic Recovery Act of 2008 stimulus package. NSP 1 funding was designed to stabilize distressed neighborhoods by assisting low- and moderate-income homebuyers purchase foreclosed homes. HUD designated five targeted zip codes in Sussex County for NSP 1: 19956 (Laurel), 19973 (Seaford), 19947 (Georgetown), 19950 (Greenwood), and 19963 (Milford). The County assisted thirty-one (31) households with the funding. Sussex County also exceeded the HUD requirement to spend 25% of funds (\$500,000) on those households at or below 50% of Area Median Income (AMI), by directing \$1.1 million on those households. The County partnered with three non-profit affordable housing providers, as well as administered their own NSP homebuyer assistance model.
- ii. In 2009, the County was awarded \$939,204 in Neighborhood Stabilization Program II (NSP 2) through the American Recovery and Reinvestment Act (ARRA) of 2009. Like NSP 1, NSP 2 was created to continue the work of stabilizing neighborhoods by incentivizing the purchase of foreclosed homes in communities that have been negatively affected by foreclosure. HUD targeted five census tracts in Sussex County for NSP 2 funding: 509 (Milton/Lewes area), 510.01 (Lewes/Rehoboth), 511 (Rehoboth/Dewey Beach), 507.02 (Millsboro/Long Neck area), and 501.02 (Lincoln/Milford area). To-date, the County has assisted nine (9) households with the funding. The County partnered with two local non-profit housing developers to help spread the funding efficiently to those most in need, as well as utilizing their own NSP homebuyer assistance model.

c. Discussion of use of Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Housing Preservation Grant (HPG)

- i. For over 20 years, the Community Development & Housing Department has administered the Community Development Block Grant Program (CDBG). The office uses the funds to protect and support the most vulnerable residents of the County. The funds are primarily used for the rehabilitation of income-eligible owner-occupied properties, home modifications for persons with disabilities, water/sewer hookups, demolitions, and small infrastructure projects. The County applies for CDBG funds on behalf of municipalities and rural communities across the County. In addition to the County Council, all participating towns are required to sign an affirmatively furthering fair housing resolution.
- ii. The County also uses Housing Preservation Grant (HPG) funds from the U.S. Department of Agriculture Rural Development and HOME Investment Partnerships Program (HOME) funds from HUD for the rehabilitation of income-eligible owner-occupied properties.
- iii. Annually, CD&H assists approximately 130 households with CDBG, HOME, and HPG funds.

d. Use of County Council Grant Funding and General Funding for Infrastructure in Impacted Communities.

- i. Through Sussex County's Human Service Grant program, the County Council provides numerous grants to various agencies annually that promote and advocate for affordable, fair housing, and other humanitarian efforts. Some of these organizations include, Delaware Housing Coalition, La Esperanza, Habitat for Humanity, NCALL Research, First State Community Action, Sussex Housing Group, and DCRAC. The Human Service Grant funding also allows rural communities to seek small infrastructure improvement grants like, funding for streetlights, road improvements, handicap accessibility, and community clean-ups.
- ii. Sussex County Council also provides funding for CD&H to assist with emergency housing rehabilitations, typically an average of \$60,000 annually. This funding goes primarily towards assisting low- and moderate-income owner-occupied properties with rehabilitations, but has also assisted rural communities with improvements to their community centers.

e. Discussion of County Vacant Properties.

Sussex County owns two (2) vacant properties that were purchased in preparation for future County Airport Runway expansion. Since the expansion was not expected to take place for several years, the County created a RFP process that encouraged local non-profit housing providers to submit plans for the use of the vacant homes. The County elected to award Sussex County Habitat for Humanity the vacant homes to lease. One of the homes would provide housing to future Habitat families that were currently in substandard housing and needed safe housing until their Habitat home was completed. The second home would house AmeriCorps volunteers that work with Habitat for Humanity in the construction of homes.

f. Discussion of Foreclosure Prevention Efforts.

CD&H collaborates with the Attorney General and Office of State Bank Commissioner to provide consumer education events pertaining to foreclosure prevention. These events take place nearly every month in areas of the County most hard hit by the foreclosure crisis. The Department also records and monitors monthly foreclosure filing and Sheriff Sale data.

g. Discussion of Fair Housing Efforts.

On April 16, 2013, Sussex County Council amended the County's Fair Housing Policy to adopt language that would be read by legal counsel prior to public hearings related to land use and zoning. The language reads as follows:

"Sussex County, in its zoning and land use decisions, does not discriminate against persons based on race, color, religion, national origin, disability, familial status, sex, creed, marital status, age, sexual orientation, or gender identity. Public comments made on the basis of bias and stereotype concerning people within these protected classes will not be taken into consideration by the County in its deliberations."

A. Description of Specific Outreach Activities
