RE: New Inspection Process Notification

Starting Monday, January 13, 2020 all zoning set-back inspections will be conducted by the Building Code Office.

All inspections previously scheduled through the Planning & Zoning Office will now be required to be scheduled through the Building Inspections Office.

To schedule an inspection, please call (302) 858-5500, between 7:30 am – 3:00 pm, Monday through Friday.

This new process is to create a more efficient inspection process, reduce costs and better serve our citizens of Sussex County.

If you have any questions, please feel free to contact this office.
