SUSSEX COUNTY - INFORMAL REVIEW PROCEDURES & GUIDELINES

The purposes of Tyler Technologies conducting informal hearing reviews are to allow all property owners to review their tentative valuations for accuracy. If you feel the proposed tentative valuation does not reflect fair market value as of July 1, 2023, please schedule an informal hearing appointment.

Market Value is defined as the most probable price a property should bring in a competitive and open market. This definition requires an arm's length transaction with each of the parties acting in their own best interests. Additionally, it requires that the buyer and seller are not acting out of undue haste or duress and that the real property has been exposed on the market for a reasonable period of time.

How to Schedule Appointment

Scheduling is open through December 13, 2024

1. To schedule by phone – call: **1-833-703-4016**
Call center hours are Monday – Friday 8:00 AM to 4:30 PM
2. Online (Self Service) – visit the website: www.tylertech.com/sussex
Online is available 24 hours a day during the scheduling period noted above.

Acceptable forms of evidence

1. Comparable Sales (closed from January 1, 2021 – June 30, 2023). Valid Sales are known as “arms-length” transactions which reflect market value. The more recent closed sales are typically better indicators of value than older closed sales. Comparable sales can be obtained by consulting with real estate professionals as well as “FREE websites” such as:
 - www.zillow.com / www.realtor.com / www.homes.com
2. Active Listings – can be utilized as supporting evidence NOT direct evidence such as closed comparable sales.
3. Income & Expense statements – only used for income producing properties.
4. Appraisals dated between (1/1/22 – 6/30/23).
5. Photo's – Recent images of dwelling(s) outbuildings, land, etc. are a great way of showing any type of quality or condition issues a property may be suffering from.

All documentation should be submitted to Tyler Technologies **prior or during** your scheduled appt. Documents can be emailed to SussexCountyDE@tylertech.com or dropped off at the Tyler reassessment office – Sussex County West Complex, 22215 Dupont Blvd, Georgetown, DE 19947

ALL DOCUMENTATION MUST INCLUDE OWNER NAME, CONTROL NUMBER, & PROPERTY LOCATION

Inadmissible forms of evidence

1. Previous assessed value, established as 1974 base year.
2. Closed Sales which are not considered to be “arms-length”. Examples of typical invalid sales are distressed properties, bank owned, sheriff sales, foreclosures, short sales, family transactions, court order, change after sale.
3. Comparing properties which have not sold as an “arms-length” transaction. Comparison of neighboring property values and/or building characteristics.
4. Tax Impact / Exemptions / Abatements – These are not taken into consideration when establishing market value. Exemptions & Abatements will be applied to each property if proper application has been approved by Sussex County.
5. Estimated Values from online search, such as “Redfin, Zillow Zestimate, HomeLight, Realtor.com, etc.”

Informal Review Procedures and Guidelines

- Property owners must comply with the acceptable and inadmissible forms of evidence referenced on the back of the Tentative Value Notice.
 - Property owners are strongly encouraged to submit evidence in advance of their meetings to sussexcountyde@tylertech.com ensuring their name and control number are in the subject line of the e-mail.
- Errors/omissions identified during the informal process will be resolved by Tyler Technologies before the formal assessment rolls are established on **February 15th**.

Formal Appeals

Formal Appeals

- Property Owners must file an application with the Board of Assessment Review to enter the Formal Appeals Process. Once filed, the process has two steps.

 - Review supporting evidence provided by appellant
 - Make recommendations to the Board of Assessment Review

- If an agreement cannot be reached, property owners will have the opportunity to participate in formal hearings regarding the assessed value of their property.
- It is the Board of Assessment Review that presides over the formal appeal hearings.
 - The hearings will include a County attorney, County staff, and board members.
 - The hearings will be held in Council Chambers and open to the public.
 - Property owners can schedule by phone or online.
 - The Board will review recommendations from the Referee Meetings as well as hear Formal Appeals from property owners.

Superior Court Appeal

- If an agreement cannot be reached property owners can appeal the Board of Assessment Review decision to Superior Court.
- Per State Code Title 9 § 8312(c), Any person who, after properly filing an appeal before any board of assessment or Department of Finance or Department of Land Use, feels aggrieved by the decision of such body may, within 30 days by postmark date after receiving notice of its decision, appeal therefrom to the Superior Court of the county in which such person resides. The decision of each board of assessment or Department of Finance or Department of Land Use shall be prima facie correct and the burden of proof shall be on the appellant to show that such body acted contrary to law, fraudulently, arbitrarily or capriciously. The appellant shall be heard on the record and proceedings of each board of assessment or Department of Finance or Department of Land Use which shall be certified to the Court by such body within 15 days after service on such body of a notice of appeal. The Court may permit the appellant or each board of assessment or Department of Finance or Department of Land Use to present any new or different evidence pertinent to the matter.
