Criteria for a Variance: (Please provide a written statement regarding each criteria).

*You shall demonstrate to the Board of Adjustment that the property meets **all** of the following criteria for a Variance to be granted.*

In granting any variance the Board may attach such reasonable conditions and safeguards as it may deem necessary to implement the purposes of the Zoning Ordinance or Code. The Board is empowered in no case, however, to grant a variance in the use of land or structures thereon.

1. Uniqueness of property:

That there are unique physical circumstances or conditions, including irregularity, narrowness, or shallowness of lot size or shape, or exceptional topographical or other physical conditions peculiar to the particular property and that the exceptional practical difficulty is due to such conditions and not to circumstances or conditions generally created by the provisions of the Zoning Ordinance or Code in the neighborhood or district in which the property is located.

2. Cannot otherwise be developed:

That because of such physical circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the provisions of the Zoning Ordinance or Code and that the authorization of a variance is therefore necessary to enable the reasonable use of the property.

3. Not created by the applicant:

That such exceptional practical difficulty has not been created by the appellant.

4. Will not alter the essential character of the neighborhood:

That the variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located and nor substantially or permanently impair the appropriate use of development of adjacent property, nor be detrimental to the public welfare.

5. Minimum variance:

That the variance, if authorized, will represent the minimum variance that will afford relief and will represent the least modification possible of the regulation in issue.

Criteria for a Special Use Exception: (Please provide a written statement regarding each criteria)

*You shall demonstrate to the Board of Adjustment that the property meets **all** of the following criteria for a Special Use Exception to be granted.*

1. Such exception will not substantially affect adversely the uses of adjacent and neighboring property.

2. Any other requirements which apply to a specific type of special use exception as required by the Sussex County Code. (Ex. Time limitations – 5 year maximum)

Basis for Appeal: (Please provide a written statement regarding reason for appeal)
