**SINGLE- FAMILY DWELLING
ARCHITECT/ENGINEER PLAN REVIEW WAIVER-STATEMENT**

Application Date

Model:

The Building Code plan review process has been waived, for plans sealed by a licensed Delaware Architect/Engineer. Any code violations discovered during the course of inspections by the Sussex County Building Code Office or their agents will be corrected prior to obtaining inspection approval. Plan review and approvals may still be required for compliance with other departments and agencies, such as Planning & Zoning, DelDOT, D.N.R.E.C., County Engineer Department, etc.

The undersigned Architect/Engineer certifies that he/she has reviewed the plans for the above model and has found them to be in compliance with the Sussex County adopted Building Code.

The Undersigned Architect/Engineer has verified that the drawings are complete and include the minimum details needed for construction and inspection.
