**Public Hearing/
MOU
with
DelDOT**

At 10:30 a.m., a Public Hearing was held on the Memorandum of Understanding (MOU) between Sussex County and DelDOT regarding the process of land use applications.

The Planning and Zoning Commission held a Public Hearing on the MOU on December 12, 2019 at which time the record was left open and it was announced that the public hearing would be continued at the January 9, 2020 meeting to allow any additional speakers an opportunity to speak before the Commission. On January 9, 2020, at the conclusion of the public hearing, the public hearing and public record were closed.

Jamie Whitehouse, Planning and Zoning Manager, reported on the comments received: twelve (12) comments were received and circulated previously; an additional four (4) comments were received and circulated on this date.

Vince Robertson, Assistant County Attorney, stated that 9 Del.C §6962 requires a MOU and requires Sussex County to establish a traffic level of service suitable to the County and DelDOT. He stated that it is a MOU on the process and coordination of land use between Sussex County and DelDOT which will improve communication between the County and DelDOT. Mr. Robertson clarified that the MOU is not a Sussex County Code change nor is it a rewrite of DelDOT's regulations. Mr. Robertson noted that the previous version of the MOU dates back to 1988.

Mr. Robertson and Mark Cote, DelDOT's Assistant Director of Development Coordination, were present and provided an overview of the background of the MOU and what was included within it. Also reviewed was a red-lined version of the MOU, which represents the recommendation of the Planning and Zoning Commission.

Public comments were heard and the following people spoke: Dan Kramer, Bobby Horsey, Paul Reiger, Betty Tustin of The Traffic Group, Robert Tunnell III, DJ Hughes, Rich Borasso of SARG, and David Hutt. They commented on the document and made recommendations for amending the document and/or rewriting the document. They commented on the phasing plan, definitions, the process, and the reorganization of the document for clarity, and commented on the authority of the County and DelDOT.

There were no additional comments.

The public record and public hearing were closed.

**M 039 20

**Public
Hearing/
CU 2199**

A Public Hearing was held on the Proposed Ordinance entitled “AN ORDINANCE TO GRANT A CONDITIONAL USE OF LAND IN A CR-1 COMMERCIAL RESIDENTIAL DISTRICT FOR MULTI-FAMILY (224 UNITS) TO BE LOCATED ON A CERTAIN PARCEL OF LAND LYING AND BEING IN LEWES AND REHOBOTH HUNDRED, SUSSEX COUNTY, CONTAINING 18.793 ACRES, MORE OR LESS” (Conditional Use No. 2199) filed on behalf of OA-Rehoboth, LLC (Tax I.D. No. 334-12.00-127.01 and 127.10) (911 Address: Not Available).

The Planning and Zoning Commission held a Public Hearing on this application on December 12, 2019 at which time action was deferred. On January 9, 2020, the Commission recommended approval, with conditions.

(See the minutes of the Planning and Zoning Commission dated December 12, 2019 and January 9, 2020.)

Jamie Whitehouse, Acting Director of Planning and Zoning, presented the application.

The Council found that Jim Fuqua, Attorney, was present on behalf of the Applicant with Preston Schell, member of OA – Rehoboth, LLC, and Zac Crouch of Davis, Bowen and Friedel. They discussed the Applicant’s proposal to develop a residential rental apartment complex containing 224 units (7 buildings – 32 units each) on a parcel of land located between Route 24 and Old Landing Road behind the Rehoboth Mall on the west side of Route 1 and stated that the land is being purchased from the Herola Family, LLC; that the project’s location is in the Investment Level 2 Area; that central water will be provided by Tidewater Utilities; that central sewer will be provided by Sussex County; that the site is an undeveloped “infill” parcel predominately surrounded by commercial uses and commercial zoned land with residential uses to the south; that no additional residential development of this property would be permitted; that there are two partially constructed roads bordering the site, one of which is a private access road that will run from the Rehoboth Mall access road from Route 24 to the connector road and the connector road to the Beebe Healthcare Campus which currently stops at just beyond the campus; that the connector road is planned to extend all the way to Old Landing Road; that this new alignment for the connector road will have less of an impact on the Sterling Crossing development; that the Developer will work with DelDOT regarding alignment to Old Landing Road and other off-site improvements that may be required; that in lieu of a Traffic Impact Study (TIS), the Developer will pay an Area-Wide Study Fee; that there is a need for this proposed project in the area as there is a need for workforce housing; that the proposed project is located in an area defined by the Delaware State Housing Authority; and that the project is in accordance with the Sussex County Zoning Ordinance and the 2019 Comprehensive Plan.

**Public Hearing/
CU 2199
(continued)**

Mr. Fuqua asked that Condition G recommended by the Planning and Zoning Commission be changed from “Recreational amenities, including a community clubhouse, outdoor swimming pool, playground, and enclosed dog park shall be completed prior to the issuance of a building permit for the 4th multi-family building.” to read as follows “Recreational amenities, including a community clubhouse, outdoor swimming pool, playground and enclosed dog park, shall be completed prior to the issuance of a Certificate of Occupancy for the third multi-family building”.

Public comments were heard.

Mr. Moore reported that a letter was submitted by Howard Gorrell and Mr. Moore summarized the letter.

Kathleen Baker of Sterling Crossing spoke on her own behalf and on behalf of other members of the community in support of the application.

There were no public comments in opposition to the application.

The Public Hearing and public record were closed.

A Public Hearing was held on the Proposed Ordinance entitled “AN ORDINANCE TO AMEND THE COMPREHENSIVE ZONING MAP OF SUSSEX COUNTY FROM A GR GENERAL RESIDENTIAL DISTRICT TO A GR-RPC GENERAL RESIDENTIAL DISTRICT – RESIDENTIAL PLANNED COMMUNITY FOR A CERTAIN PARCEL OF LAND LYING AND BEING IN BALTIMORE HUNDRED, SUSSEX COUNTY, CONTAINING 16.1 ACRES, MORE OR LESS” (Change of Zone No. 1900) filed on behalf of Michael P. Justice, Trustee (Tax I.D. No. 134-16.00-51.00) (911 Address: None Available).

The Planning and Zoning Commission held a Public Hearing on this application on December 12, 2019 at which time the Commission deferred action. On January 9, 2020, the Commission recommended approval with conditions.

(See the minutes of the Planning and Zoning Commission dated December 12, 2019 and January 9, 2020.)

Jamie Whitehouse, Acting Director of Planning and Zoning, presented the application.

The Council found that John Sergovic, Attorney, was present on behalf of the application with the Applicant, Michael P. Justice, and Ken Christenbury with Axiom Engineering. They discussed the proposed use of the property for the Evergreen Residential Planned Community, a single-family 45-unit development. Mr. Christenbury stated that they have submitted a revised plan showing amendments requested by the Planning and Zoning Commission. Based on input at the Planning and Zoning Commission meeting, the prior design to clear the existing property line ditches has been replaced by bypass pipes directed toward the low-lying areas on the property line. In addition to the bypass pipes, a cul-de-sac has been added to the northeast corner of the site. The addition of the cul-de-sac has adjusted the northern road away from the western property line and allowed for the retention of a forested buffer not included in the prior plan. They stated that this is an infill project; that the project property abuts several residential subdivisions; that they are proposing 2.82 dwelling units per acre; that the project property is located in the middle of an area zoned GR with the exception of one commercial property to the south; that the proposed project is in character with the surrounding properties and densities; that they proposed to clear the ditches, however, area residents did not want the ditches cleared nor the trees removed and therefore, they came up with the new plan and they reviewed the amendments to the original plan; that no Traffic Impact Study was required; and that water is

available from Tidewater and sewer service is available from Sussex County; and that this application is in accordance with the 2019 Comprehensive Land Use Plan.

Public comments were heard.

Steve Maternick of Silver Woods spoke in support of the application. He referenced flooding in the area due to heavy rains and the lack of drainage in the area and stated that he is in support of the Applicant’s amended plan; that the stormwater management plan for the application will help alleviate some drainage problems; that he commends the Applicant for working with him and another neighbor to rectify some of the design issues; and that his only concern is the ditch that goes to Millers Creek which has not been maintained and he hopes that any future plans would make sure that the homeowners in the Plantation Park development would not be allowed to cause any restricting of the drainage that occurs.

There were no comments in opposition to the application.

The public record and Public Hearing were closed.

Mr. Hudson stated that he would like to defer action on Change of Zone No. 1900 to allow time to develop wording regarding granting an easement to adjoining land owners. Mr. Rieley stated that he would like to defer action for two weeks to allow time for further consideration.

Mary and Victor Rico.

The Planning and Zoning Commission held a Public Hearing on this application on December 12, 2019 at which time action was deferred. On January 9, 2019, the Commission recommended denial of the Change of Zone and the Conditional Use.

(See the minutes of the Planning and Zoning Commission dated December 12, 2019 and January 9, 2020.)

Jamie Whitehouse, Acting Director of Planning and Zoning, presented the application.

It was noted that the four existing buildings that are on the property have been there for a long time and are considered to be non-conforming; that at one point, two of the buildings were purchased and converted into multiple dwelling units within those buildings; that there are no permits for that conversion; that these applications are in response to a violation on the property; and that the application seeks to address that violation.

The Council found that Tim Willard, Attorney, was present with the Applicant, Mary Rico. They commented on the shape and location of the lot and stated that Sunset Lane was an old fishing village and as it evolved, this lot became a parcel with 4 houses located on it; that in the year 2000, the parcel was condominiumized; that the Ricos own Units 1 and 2 on the parcel; that the 2 units/houses went up for auction and the Ricos purchased them and rehabilitated the houses; that sewer service is available to the units; that both units were efficiencies and had electrical hook-ups for stoves; that the footprint of the houses has not changed; that the Applicant made efforts to be in compliance by calling the County for sewer hook-ups and for addresses, and they called the County and was told an inspection was not necessary; that they have letters of support from the tenants; that the Condominium owns Sunset Lane but the other residents along the road have access to it through an easement; that they have done a nice rehabilitation of the small apartments; that they question where the current tenants will go if this application is not approved; that the application is for a MR rezoning since that is the only way the Conditional Use could be applied for; that the Conditional Use would limit the uses on the property; that the County's Comprehensive Plan encourages the rehabilitation of houses to make them affordable housing; that MR zoning is appropriate and is consistent with the Comprehensive Plan; and that all four unit owners of the Condominium have signed the application, which was required. Mr. Willard and Mrs. Rico showed and described before and after pictures of the two units. Mr. Willard stated that Commissioner Stevenson's Motion to deny the applications is legally flawed.

Public comments were heard.

There were no public comments in support of the application.

**Public
Hearing
(continued)**

Public comments were heard in opposition to the application. Tom O’Neill and Larry Fisher, both residents of Sunset Lane, spoke in opposition to the applications. They gave a brief overview of the history of the houses and the motel on Sunset Lane. They stated that the Applicant rehabilitated the units and made them into rental units without following proper procedures and with no permits; that the proposed use of this property (Units 1 and 2) will negatively impact property values; that there is a health concern as the cesspool on the property overflows and is not pumped out regularly as the Applicant states; that water quality is a concern; and that the residents, not the condominium association, pay for the maintenance of the road.

There were no additional public comments.

The Public Hearing and public record were closed.
