Mr. Whithouse:

I am in receipt of a plan dated 7/6/20 submitted to Sussex County Planning and Zoning for the above referenced property. I represent the developer of the adjacent property known as The Woodlands Subdivision and the developer of the property across Bayard Road to be developed as Sycamore Chase.

Please be advised that we have reviewed this plan and approve of the application for rezoning. It will provide needed commercial services for homes in the nearby neighborhoods.

Very truly yours,

Robert J. Harris,
Managing Member
