**FEMA
Flood
Ordinance
Discussion**

Mr. Lawson reported that, during the September 23rd meeting, the Council was updated on the work staff has done with the FEMA flood ordinance and the requirements that affect the County and municipalities. Mr. Lawson noted that the purpose of the matter being placed on this meeting’s agenda is to continue the discussion and to consider the Council’s position on a freeboard requirement. He further noted that one of the subjective questions in the ordinance drafting is the freeboard requirement.

Mr. Lawson reported that, based on the discussion at the last Council meeting, staff analyzed the topic further and presents the following information and recommendation:

The elevation of a structure’s lowest floor relative to the base flood elevation (BFE) does affect the calculation of the flood insurance rate for the structure. An owner who elects to elevate a structure higher than the required elevation will have a lower insurance rate. The reduction of the insurance rate is a function of the amount of additional elevation – known as freeboard – at which the structure is built. Sussex County does not qualify for a county-wide discount for a freeboard requirement. To receive such a blanket discount, the County would need to participate in FEMA’s Community Rating System. This may be an option the County wishes to explore in the future, but is separate from the current FEMA Flood Ordinance consideration.

Based on all of the information staff has considered, a voluntary freeboard requirement for Sussex County is recommended. In addition, staff recommends up to an additional 2 feet of building height to correspond with the freeboard height above BFE, not to exceed 2 feet above the allowable building height in the respective zoning district.

**FEMA
Flood
Ordinance
Discussion
(continued)**

Mr. Lawson previously distributed collected information from Sussex County municipalities on their freeboard requirements.

Mr. Lawson noted that this is for discussion only, an ordinance has not yet been introduced; that the draft ordinance is almost complete and will be presented to Council for introduction at a future date and scheduled for the public hearing process in 2015. FEMA has set the deadline for the total implementation of the new ordinance by March 2015.

The Council discussed a freeboard requirement. Vince Robertson, Assistant County Attorney, and Mike Powell of the Delaware Department of Natural Resources and Environmental Control were also present to participate in the discussion.

The Council further discussed issues relating to the proposal including private deed restrictions; discounts on flood insurance rates; mandating a 12" freeboard; benefits of freeboard; educating people about this issue; and real estate disclosure forms.

**Public
Hearing/
Proposed
Ordinance
Amending
Definitions
of Dwelling
and Family**

In regard to the scheduled Public Hearing, Mr. Moore stated that Sussex County and its land use and zoning decisions does not discriminate against persons based on race, color, religion, national origin, disability, familial status, sex, creed, marital status, age, or sexual orientation. Public comments made on the basis of bias and stereotype concerning people within these protected classes will not be taken in consideration by the County in its deliberations.

The Public Hearing was continued on the Proposed Ordinance entitled “AN ORDINANCE TO AMEND CHAPTER 115, ARTICLE I BY AMENDING THE DEFINITIONS OF “DWELLING”, “DWELLINGS, SINGLE FAMILY”, “DWELLING, MULTI-FAMILY”, AND “FAMILY”. The Council held a Public Hearing on the Proposed Ordinance on October 7, 2014; on that date, the Council voted to leave the Public Hearing open for two weeks to receive further input from staff and to receive further public comment, including written comments.

This Ordinance amends the definitions of Family, Single Family Dwellings and Multifamily Dwellings to avoid unintended discrimination under State and Federal Law. It confirms that a family may include one or two people living together and not only their natural or adopted children but also step children and foster children. It also clarifies that children are permitted to reside with legally appointed guardians. It permits licensed and approved residential houses of no more than ten persons with disabilities as defined in the Delaware Fair Housing Act. Lastly, it recognizes that it is appropriate for two families to reside in a single unit when the owner(s) of the unit are elderly and/or disabled.

The Planning and Zoning Commission held a Public Hearing on the Proposed Ordinance on August 7, 2014 at which time action was deferred. On September 11, 2014, the Commission recommended that the Proposed Ordinance be approved.

It was noted that Legal Counsel during the Public Hearing was David Rutt, Assistant County Attorney, and that since the Public Hearing, Mr. Moore has read the record and the questions that have been received.

Vince Robertson, Assistant County Attorney; Stephanie Hansen, Attorney; and Lawrence Lank, Director of Planning and Zoning, were present to participate in the discussion on and to answer questions regarding the Proposed Ordinance.

**Public Hearing/
Proposed Ordinance Amending Definitions of Dwelling and Family (continued)**

Mr. Lank stated that a report was included in the Council packets for this meeting and included the following: a memorandum from Mr. Lank to the Council regarding letters and emails received relating to the Proposed Ordinance that were written or received since the Public Hearing held on October 7th (email from Dixie Boucher, email from Vince Robertson, Assistant County Attorney, a letter from James Truitt, a letter of response from Lawrence Lank to James Truitt). Also included was a memorandum from Todd Lawson, County Administrator, to the Sussex County Council, regarding the dwelling definition and discussion of the term “minor”.

The Council discussed the correspondence received, which referenced the following issues: adding the word “minor” when defining children under the family units in the proposal; the basis for the five things referenced in the Voluntary Compliance Agreement (VCA) that required the Proposed Ordinance; what is the background on the Analysis of the Impediments; who created the definitions; and what corrective actions were actually required to get into compliance with the VCA. It was noted that Mr. Lank’s letter to Mr. Truitt, which was included in the packet, provided answers to Mr. Truitt’s questions.

Council members, staff, and legal staff discussed the following as it relates to the Proposed Ordinance: adding the word “minor” when defining children; considering the dwelling definition issue separate from the family definition issue; federal and state law requirements; Fair Housing Law; Landlord – Tenant Code; grandfathering; Analysis of Impediments and Priority Plan requirements; and reporting requirements under the Voluntary Compliance Agreement with HUD / Consent Decree with DOJ.

There were no public comments and the Public Hearing and public record were closed.

RE: **CARRYING CAPACITY STUDY DISCUSSION**

DATE: October 24, 2014

During Tuesday's meeting, we are scheduled to discuss the topic of a carrying capacity study. Recall, Councilman Cole has introduced the idea of analyzing select areas of the County through a carrying capacity study. Tuesday's discussion will focus on the basic premise and scope of a carrying capacity study; said another way, what exactly is a carrying capacity study? We will be joined by Vince Robertson, Assistant County Attorney, and Mr. Kyle Gulbranson, Senior Project Manager and Principal Planner with the firm URS, located in Millsboro.

The purpose of the discussion is to educate the Council on the benefits of a carrying capacity study. At a future time, should the Council choose to move forward, we will discuss specifics of conducting a carrying capacity study.

Please let me know if you have any questions.

17. LEASE AND AMENDMENT

This Lease and Amendment, dated as of March 6, 1987 to the Lease Agreement dated September 1, 1984 (the "Lease") (Exhibit A), by and between Sussex County, State of Delaware (the "Landlord") and North American Housing Corporation (the "Tenant"), a Maryland corporation, c/o David A. Sacks, Esquire, Foley & Lardner, 1775 Pennsylvania Ave., N.W., Washington, D.C. 20006-4680. **W I T N E S S E T H:**

WHEREAS, the Tenant has executed and delivered a mortgage on its leasehold interest under the Lease to Barclays Bank PLC (the "Bank"), as the lender under a Term Loan Agreement, dated as of March 31, 1987, between the Tenant and the Bank; and

WHEREAS, in connection with the execution and delivery of said mortgage by the Tenant to the Bank, the Tenant and the Landlord agree to amend the Lease on the terms and conditions set forth below;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt of which is hereby duly acknowledged, the parties hereto agree that the Lease is hereby amended by adding paragraphs 23 through 28 thereto, as follows:

"(23) The Landlord will give to Barclays Bank PLC (the "Bank"), as the lender under a Term Loan Agreement, dated as of Mar. 31, 1987, between the Tenant and the Bank (at 75 Wall Street, New York, NY 10265, Attention: Mr. Michael K. Burke), a copy of any notice of default under this Lease given by the Landlord to the Tenant, and will give notice to the Bank of any rejection of this Lease by any trustee in bankruptcy of the Tenant. The Landlord will not exercise any right, power or remedy with respect to any default under this Lease, and no notice to the Tenant of any such default and no termination of this Lease in connection therewith shall be effective, until the Landlord shall have given to the Bank written notice or a copy of its notice to the Tenant of such default or any such termination, as the case may be.

(24) The Landlord will not exercise any right, power or remedy with respect to an Event of Default hereunder until the expiration of any grace period provided with respect thereto, plus an additional period of 30 days after the later of the expiration thereof or after the Landlord has given to the Bank written notice of such default or a copy of its notice to the Tenant of such default. The Landlord will not exercise any right, power or remedy with respect to any default hereunder if (a) the Bank within such 30-day period shall give to the Landlord a written notice that either (i) such default is not susceptible of being corrected and is therefore subject to the terms of paragraph (26)

below or (ii) it intends to undertake the correction of such default or to cause the same to be corrected and (b) the Bank shall thereafter in the case of any default referred to in clause (ii) of this paragraph, prosecute diligently the correction of such default, whether by exercise on behalf of the Tenant of its obligations hereunder, entry on the premises subject to the Lease (the "Premises"), foreclosure, sale or otherwise.

1(25) The Bank may make any payment or perform any act required hereunder to be made or performed by the Tenant with the same effect as if made or performed by the Tenant, provided that no entry by the Bank upon the Premises for such purpose shall constitute or be deemed to be an eviction of the Tenant and shall not waive or release the Tenant from any obligation or default hereunder (except any obligation or default which shall have been fully performed or corrected by such payment or performed by the Bank).

(26) So long as the Bank shall have a mortgage upon the Tenant's interest hereunder, the Landlord shall not declare this Lease forfeited, or re-enter, take possession of or relet the Premises or similarly enforce performance hereof in a mode provided by law or terminate or take any action which would lead to the termination hereof and this Lease shall not terminate by reason of any condition or event which is not susceptible of being corrected or eliminated by the Bank. If any such condition or event shall have occurred and be continuing for 30 days, the Landlord may, by notice to the Bank and the Tenant, require the Tenant to assign its interest hereunder to the Bank or its nominee, provided, however, that the utilization of the Premises by the Bank for such reasonable period of time as shall be necessary for the Bank to locate a new Tenant shall be acceptable to the Landlord; however, such prospective Tenants shall not be involved with the use or disposal of hazardous waste as defined by the United States Environmental Protection Agency so as to risk the County to liability of E.P.A. Superfund Assessment and liens, reserving also however, to the Landlord the right to approve such new Tenant. The happening of any such condition or event (including, without limitation, any rejection of this Lease by the Tenant or any trustee of the Tenant in any bankruptcy, reorganization, arrangement or similar proceeding) which would, if it were not for this paragraph, cause this Lease to terminate, shall, without any action or consent by the Tenant or the Bank (but with the consent of the Landlord as set forth above), effect the transfer of the Tenant's interest hereunder to the Bank or its nominee. The Bank may terminate this Lease upon any such transfer upon giving notice thereof to the Landlord not later than 30 days after the Bank has notified the Landlord of such transfer. Upon any such termination the Bank shall have no further obligations hereunder (including any obligations which may have accrued prior to such termination). The Bank agrees that at the end of the 30 day grace period, as set forth in paragraph 24, that they will be responsible for the rental arrearages from the date of default and future monthly rental payments, until such acceptable Tenant assumes payment of rent or the Bank so notifies the Landlord of a default that cannot be cured and that thus it is the Bank's intention not to cure the default at which time the Bank's liability ceases.

(27) In case (a) the Tenant's interest hereunder shall be sold, assigned or otherwise transferred pursuant to the exercise of any right, power or remedy of the Bank under the Lease or pursuant to judicial proceedings or pursuant to paragraph (26) above, or notwithstanding the terms of paragraph (26) above, this Lease is terminated as a result of a condition not susceptible of being cured or eliminated by the Bank, (b) no amounts payable hereunder shall then be due and payable, (c) the Bank shall have arranged for the correction of any default susceptible of being corrected by the lessee under the new lease referred to below, (d) the consent of the Landlord shall have been obtained (provided, however, that the utilization of the Premises by the Bank for such reasonable period of time as shall be necessary for the Bank to locate a new tenant shall be acceptable to the Landlord, reserving, however, to the Landlord the right to approve such new tenant), and (e) this Lease shall not have been terminated by reason of default pursuant to the terms hereof, the Landlord, upon receipt, within 6 months after the occurrence of any event referred to in clause (a) of this paragraph (27), of a written request therefor and upon payment of all expenses (including, without limitation, attorney's fees and expenses) incident thereto, will execute and deliver a new lease to the Bank or its nominee, for the remainder of the term of this Lease, with the same terms as are contained hereunder and with equal priority hereto. Upon the execution and delivery of such new lease, the Landlord, at the expense of the new lessee, shall take such steps as shall be necessary to cancel and discharge this Lease of record and to remove the Tenant from the Premises.

Except as amended by the above, the Lease is hereby confirmed in all respects.

Mr. R. Carl Benna, President
North American Housing Corporation
4011 Rock Hall Road
P.O. Box 148
Point of Rocks, MD 21777

Dear Mr. Benna:

At present, North American Housing leases from Sussex County a large parcel of land located in the Sussex County Industrial Airpark, Georgetown, Delaware. Given the approval of the North American Housing Corporation, the County wishes to recall a certain portion of the leased land located on County Route 321 and Road G of the Sussex County Industrial Airpark and shaped to conform to your survey dated March 1987. This land certified by the accompanying survey will be obligated by the County as the permanent site location for the Delaware State Fire Prevention Commission, Delaware Fire School.

In conjunction with the return of the requested acreage, North American Housing's land rent fee will be adjusted to reflect the change in total acres leased from Sussex County effective immediately. The amount of the reduction will be \$200 (the lease fee per acre) x 5 acres (the total acreage returned) to coincide with the lease agreement. Additionally, the County will develop plans to relocate existing water and sewer mains on the property leased to the North American Housing Corporation to facilitate any future expansion planned by the North American Housing Corporation at the Sussex County Industrial Airpark.

Furthermore, North American Housing will continue to be able to use the present auxiliary entrance to the Industrial Park for their movement of incoming and outgoing manufactured products. Finally, with respect to the issue of fees for plumbing permits, the County recognizes apparent inconsistencies that exist in the State of Delaware's procedures for the issuance of permits. However, the concern over the apparent inconsistent procedure is between North American Housing Corporation and the State of Delaware. Any modification of the current requirements concerning plumbing permits needs to come directly from the State of Delaware.

Division of Public Health, Bureau of Environmental Health, Richard B. Howell, III, Program Director, Jesse S. Cooper Building, P.O. Box 637, Dover, Delaware 19903.

The County would like to expedite the Delaware State Fire Prevention Commission project and plans to request approval of the project at the Sussex County Council session on September 4, 1990. For this reason, the County requests release of the 5 acres identified in the survey accompanying this letter so progress can proceed with this important project. Your signature below will signify your acceptance of the terms herein regarding the 5 acres. We will have the County attorney prepare a simple lease amendment contingent on your approval below. Furthermore, I request that this agreement releasing 5 acres of land be executed before Friday, August 31, 1990, and that this agreement be executed so that the County can move forward with the assignment of lands for immediate development. The State Fire Prevention Commission, Delaware Fire School project will be crucial to Sussex County by providing on going training exercises to include industrial first aid training for the business community and other related activities supporting fire and first aid safety.

The Sussex County Council and Delaware State Fire Prevention Commission appreciates North American Housing's prompt cooperation in the matter of return of the leased lands identified in this letter. Should you have any questions about the project or about areas addressed in this letter, please feel free to call my office.

Sincerely

MEMORANDUM OF UNDERSTANDING

ENTERED INTO this _____ day of NOVEMBER, 2012, by and between UNIVERSAL FOREST PRODUCTS a/k/a UFP Eastern Division, Inc., 2801 East Beltline NE, Grand Rapids, Michigan 49525 (hereafter "UFP") and SUSSEX COUNTY, a political subdivision of the State of Delaware, Sussex County Administration Building, 2 The Circle, Georgetown, Delaware 19947, Attn: Todd F. Lawson, County Administrator, (hereafter "Sussex County").

PREAMBLE

UFP is the assignee of a lease of certain real property located in the Sussex County Airport Industrial Park, and specifically of approximately 7.22 acres, more or less. For purposes of this Memorandum this shall hereafter be referred to as "the 7.22 acres." The assignment was from North American Housing Corporation (hereafter "NAHC") to Shoffner Industries, Inc., predecessor in interest to UFP by Assignment of Lease dated January 10, 1994 and recorded in the Office of the Recorder of Deeds, in and for Sussex County, (hereafter "ROD") in Deed Book 1958, page 226. In addition to the assignment of the real property, NAHC deeded to Shoffner all right, title and interest in a building owned by NAHC on the leased parcel, said deed being filed in the ROD in Deed Book 1958, page 261.

In addition to the 7.22 acres now leased by UFP, Sussex County entered into a lease with NAHC for additional acreage the total of which is unclear but may approximate 17 to 24 acres, more or less, by Lease Agreement dated April 10, 1991 and recorded in the ROD in Deed Book 1777, page 257. For purposes of this Memorandum this shall hereafter be referred to as "the 17 acres." Upon information and belief, Sussex County considered the 17 acres leased to NAHC to also have been assigned to UFP. UFP does not consider

the 17 acres to be part of its leasehold in the Sussex County Airport Industrial Park.

UFP has now identified a tenant to lease its acknowledged 7.22 acres with the building improvements. The original lease from Sussex County to NAHC does not state whether UFP as assignee can sublease the real property or whether its sole recourse is an assignment thereof.

The parties to this Memorandum of Understanding wish to set forth the terms by which these conflicting understandings and beliefs may be resolved. Accordingly, they agree to the following terms.

TERMS

1. Sussex County agrees that it will amend the Lease Agreement and subsequent assignment thereof of the 7.22 acres to permit UFP, subsequent tenant or assignee to enter into a sublease of said property to prospective tenants.
2. UFP agrees that the extent of its leaseholdings in the Sussex County Airport Industrial Park total 7.22 acres.
3. Sussex County has had the UFP leasehold surveyed at its expense so both parties are assured of the true metes and bounds of the leasehold property, a copy of which is attached hereto and incorporated herein.
4. UFP has entered into a lease noting that the leasehold area shall be subject to said survey. The lease includes an option to purchase the aforementioned building. If UFP's tenant exercises that option, Sussex County consents to the assignment of the ground lease described above from UFP to the said tenant.
5. UFP shall still be obligated to pay Sussex County the agreed upon rent, taxes and assessments pursuant to the Lease Agreement initially entered into by NAHC on

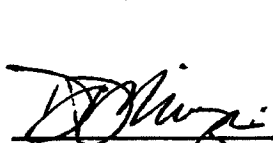

September 1, 1984 and recorded in the ROD in Deed Book 1483, page 143 and thereafter assigned to Shoffner with rent to be paid based upon the true acreage established in the survey as completed by Sussex County. In the event the lease is assigned in accordance with Paragraph 4 above, UFP shall as part of the assignment notify the assignee that it shall thereafter be obligated to pay said rent, taxes and assessments. UFP's obligation for such payments shall cease when the assignment occurs.

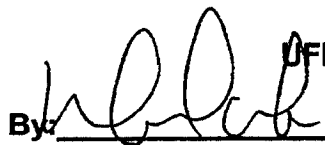

6. UFP agrees to quit claim and release any interest it may have obtained by assignment, deed or prescription in the 17 acres that was leased by Sussex County to NACH by deed dated April 10, 1991 and recorded in the ROD in Deed Book 1777, page 257.

7. Sussex County shall not make any claims against UFP for unpaid rent or taxes on the 17 acres.

8. The parties agree to cooperate and execute any documents necessary to effectuate the terms of this Memorandum of Understanding.

IN WITNESS WHEREOF, the parties hereto by their authorized officers and intending to be bound set their hands and seals on the day first written above.

OLD BUSINESS

October 28, 2014

This is to certify that on August 21, 2014 the Sussex County Planning and Zoning Commission conducted a public hearing on the below listed application for Conditional Use. At the conclusion of the public hearing, the Commission moved and passed that this application be forwarded to the Sussex County Council with the recommendations as stated.

Respectfully submitted:

COUNTY PLANNING AND ZONING

COMMISSION OF SUSSEX COUNTY

Lawrence B. Lank

Director of Planning and Zoning

The attached comments relating to the public hearing are findings of the Planning and Zoning Commission based on a summary of comments read into the record, and comments stated by interested parties during the public hearing.

Conditional Use #1995 – Adele H. Fluharty

Application of **ADELE H. FLUHARTY** to consider the Conditional Use of land in an AR-1 Agricultural Residential District for an excavating company storage of equipment and office to be located on a certain parcel of land lying and being in Indian River Hundred, Sussex County, containing 5.34 acres, more or less, land lying east of Road 279 (Camp Arrowhead Road), 260 feet south of Road 279A (Waterview Road) (911 Address: 22379 Camp Arrowhead Road, Lewes, DE) (Tax Map I.D. # 2-34-12.00-84.00).

The Commission that the Applicant had submitted a survey of the property depicting the existing dwelling and related out buildings, and existing gravel lane.

The Commission found that DelDOT had provided comments in the form of a Support Facilities Report, dated May 28, 2014, referencing that a traffic impact study was not recommended, and that the current Level of Service “C” of Camp Arrowhead Road will not change as a result of this application.

The Commission found that County Engineering Department Utility Planning Division provided comments in the form of a memorandum on August 20, 2014 referencing that the property is located in the Angola Neck Planning Area; that sewer service has not been extended to the parcel; that the proposed business will use on on-site septic system; that when the County does provide sewer service, a connection to the system is mandatory; that the County does not have a firm schedule to provide sewer service at this time; and that a concept plan is not required.

Mr. Lank advised the Commission that this application was filed after receipt of a Violation Notice from the Department for the business operating from the property.

Mr. Lank advised the Commission that one (1) letter was received in support of the application and that four (4) letters and/or emails were received by the Department in opposition to this application and provided copies for the Commission to review.

The Commission found that Clint Fluharty was present on behalf of this application and stated in his presentation and in response to questions raised by the Commission that he proposed to use this site for his excavating company; that the site has been utilized for family run businesses since 1973; that in 1973 his father started a masonry business at this site; that in 1997 he started his excavating company at the site; that in 1999 he changed the name of the business to "Dirt Works", still an excavating company; that the Sussex Conservation District just completed an inspection of the site and voiced no objection to the continued use of the building since it was constructed prior to the Delaware Sediment and Stormwater Regulations of 1991; that the District voiced no objection to the construction staging area/work shop at the site; and that the District noted that there does not appear to be any discharge from the site; that the company has 15 employees; that the family run businesses have successfully grown; that the two (2) buildings on the site are for vehicle storage and supply storage; that the site is used for storage of equipment, materials and trucks; that major maintenance of the trucks and equipment are performed off-site; that normal business hours are from 7:00 a.m. through 3:00 p.m. or 6:00 p.m. depending on the jobs; that the only noise from the site should be truck noise; that the site is mostly surrounded by woods; that a portion of the site has recently been cleared and thinned to provide more room to park and turn equipment and trucks; that a well drilling business, another excavation service company, and a towing service are in close proximity to the site; that the site is owned by his mother and that he lives on an adjacent parcel fronting on Waterview Road; that he has one wrecked vehicle on the site that they use for parts since he has similar trucks still in service; that there are two (2) fuel storage tanks on the site; that Waste Industries picks up all of the trash every Wednesday; and that he does have a porta-toilet on the site.

The Commission found that Terry Simmons, a resident of Waterview Road, spoke in support of the application and stated that the business has no impact on the area; and that he has lived four (4) properties from the site for four (4) years and has no objections.

The Commission found that Baron Stevenson, Connor Paulik, and Richard Jennings, employees of the applicant, spoke in support of the application and stated that the business is run with a family atmosphere with good dedicated employees; that the majority of the work is lot clearing and site work; that the business is well run; and that noise is at a minimum, typically only truck engine/exhaust noises.

The Commission found that Joe Weiser, an area resident, spoke in opposition to the application stating that he lives across the road from Mr. Fluharty; that the business has expanded; that sometimes activities on the site start at 6:00 a.m.; that he is concerned about dust, engine noise, the loading of equipment and material noises; that he is concerned about spillage of fuels and oils creating an environmental concern; that he has lost a sound barrier by the removal of the trees;

that in the winter, the truck noises are more obvious; that other site outside of a residential area are available; that he questions the number of vehicles; and that he questions if sub-contractors utilize the site.

At the conclusion of the public hearings, the Commission discussed this application.

On August 21, 2014 there was a motion by Mr. Johnson, seconded by Mr. Smith, and carried unanimously to defer action for further consideration. Motion carried 4 – 0.

On September 11, 2014 the Commission discussed this application under Old Business.

Mr. Johnson stated that he would move that the Commission recommend approval of Conditional Use No. 1995 for Adele H. Fluharty for an excavating company storage of equipment and office based upon the record made during the public hearing and for the following reasons:

- 1) The use is an existing one that has grown from a very small business on the applicant's property where the applicant's family resides. Based on this growth, a conditional use is required.
- 2) The property is well-maintained, and the area of the business is screened from view.
- 3) Although there was some opposition to this application, the issues can be resolved through conditions placed on the approval.
- 4) I do not believe this use adversely affects traffic in the area.
- 5) The use is generally across the road from a similar, yet more visible, conditional use for a well drilling operation.
- 6) With the conditions and limitations placed upon this use, it will not adversely affect neighboring properties or the community.
- 7) The use provides a benefit to Sussex County residents by providing a convenient but screened location for excavating services on a property owned by the applicant.
- 8) This recommendation is subject to the following conditions:
 - A. The use shall be limited to the existing structures on the property. No additional structures shall be permitted.
 - B. All entrances and roadway improvements shall be subject to DeIDOT approvals.
 - C. There shall not be any permanent outside storage of junked or inoperable vehicles, equipment, parts, or similar items.

- D. All dumpsters or trash receptacles shall be screened from view of neighboring properties or roadways.
- E. Any security lighting shall be downward screened so that it does not shine on neighboring properties or roadways.
- F. The areas for parking vehicles and equipment shall be shown on the Final Site Plan and clearly marked on the site itself.
- G. All oils, hazardous substances, fluids, and similar substances shall be stored inside in accordance with all applicable laws and regulations and shall be disposed of the same way.
- H. The hours of operation shall be from 7:00 am to 6:00 pm, Monday through Saturday.
- I. The Final Site Plan shall be subject to the review and approval of the Sussex County Planning and Zoning Commission.

Motion by Mr. Johnson, seconded by Mr. Ross, and carried with four (4) votes to forward this application to the Sussex County Council with the recommendation that the application be approved for the reasons and with the conditions stated. Motion carried 4 – 1, with Mr. Burton abstaining since he was not present during the public hearing.

Dear Sussex County Council Members:

We are the Rehoboth Concert Band and starting our third season of playing and performing beautiful music for the residents of Sussex County. While some people call us an orchestra; technically, we are a concert band whose mission is providing area instrumentalists an opportunity to play and perform as well as providing area audiences a listening experience to enjoy and appreciate the diversity of concert band literature. And it doesn't matter to us if we are referred to as an orchestra or a band; we are a hard-working group of musicians trying to finance ourselves. We would like to request your help in our third season for us to continue growing and thriving and need \$2,000 to do so.

Our musicians range in age, playing ability, and location, from all over the county from Milford to Millville and areas east and west. Our student and teacher members have come from Cape Henlopen HS, Indian River HS, Sussex Central HS, Beacon Middle, Sussex Academy of Arts & Sciences, and Sussex Christian Academy. Rehoboth Concert Band is all volunteer with no paid positions. Our rehearsal space is donated by Cape Henlopen Senior Center in Rehoboth Beach.

We work hard--in our first season, we grew rapidly and acquired nonprofit charitable and IRS tax-exempt status for our organization, formed a board of directors, built a website, created a Facebook page, set up a fundraising drive, and performed free concerts. We have since built a list of continuing donors, produced a fundraising concert, and have recently been awarded a STARTUP grant from the DE Division of the Arts that pays for training our Board. The DDOA, in response to our grant application, wrote: "fills a need supported by the high number of participants," "appeals to a large cross-section of the community," "strong leadership and high-quality guest artists." As you can see, we have the early makings to become a vital musical organization in the county, but we need funds to continue with providing a needed service.

Will you consider awarding us a grant from the Council to help us purchase and build our music library, to purchase additional percussion equipment, to rent venues for our concerts, and to pay our operating expenses. All of this is very expensive, and we are moving ahead in hopes that our fundraising efforts and the community will step up to assist us. You provided us with a \$700 grant last October which was greatly appreciated and bought us six compositions to add to our beginning inventory of music.

This third season, we have started a "Bridging to School Bands " educational outreach program, which includes a collaborative concert with Sussex Central HS at their Center for the Performing Arts. Our guest violin soloist will be a student who received a 2013 scholarship from Coastal Concerts. Please come if you can on Thursday, November 20, 7 p.m. at Sussex Central, \$5 at door, students free. And please visit our website to learn more about us, see our photos that show our age diversity, and to hear us play. Other guest artists that have performed with us have been Jerry Birl, Dave Schiff, Peggy Raley, Eddie Sherman, Donna deKuper, and The Bolville Trio.

Thank you for your time and consideration. If you agree that we provide a needed service to Sussex County's cultural and educational environment, please consider Rehoboth Concert Band for a \$2,000 grant to continue our work. The grant would be an important part of our funding, and we would be happy to indicate credit to you in our future concert programs. And call us an orchestra if you like, or a community band, or a symphonic band, or a dedicated, hard-working group of community adult and student musicians who play their hearts out.

Sincerely yours,

A handwritten signature in cursive script that reads "Kay Creech".
