when you play coin master you are scrutinizing for gold cards at the viking quest event you can be rewarded with xp spin rewards gold cards and pet potions there will be various sets for the viking quest event upon concluding each stage you will gain rewards

if you want to get more cards in your collection you could spend your gold on these chests each card set will give you super good rewards but it might be quite difficult to complete each and every one of them some card sets have limited cards so they will be a little bit hard to get

selon le coffre que vous ouvrez vous avez plus de chances de piocher une rareté spécifique de carte seuls les coffres mystère rubis et saint valentin ont des chances de laisser tomber une carte joker les autres non

tap on any one of them this will offer you a more exact picture of what per event involves make the best of these events this will again put you in a rank to earn some extra coin master free spins

with often updated connections from israeli developer moon active who created coin master this totally free game grows even better the coin master spins and coins are guaranteed to offer you the advantage whether you re a competitive person yearning to exact revenge on villagers who have attacked and raided your home or are just looking to recover their lost wealth

les cartes individuelles n offrent aucun bonus mais compléter une collection de cartes le fait vous devez toujours acheter autant de coffres que possible lorsque vous entrez dans un nouveau village les cartes de niveau inférieur deviennent plus difficiles à obtenir à mesure que vous montez dans les niveaux de village donc les premières étapes

sont les meilleurs endroits pour obtenir les cartes de bas niveau dont vous avez besoin pour compléter une collection il n y a pas de pire sentiment que de devoir dépenser un joker juste pour remplacer la carte commune manquante que vous auriez pu récupérer lorsque vous avez commencé à jouer
